Thieves in the Temple!

False teachers claim if one does not “pay” tithes and offerings they have robbed God using Old Testament scriptures to intimidate and indoctrinate their followers. The word indoctrinate means, to teach a set of beliefs without a person questioning them. It is brainwashing. Multitudes have been brainwashed to the point they cannot bear the thought of not paying ten percent of their income in fear they are not going to be blessed by God or something terrible is going to happen to them. This is precisely what false teachers rely upon to hold multitudes captive in their finances and psychological health. They have cleverly twisted the Scriptures since Jesus walked the earth. Nonetheless, tithing is the biggest money racketeering scam in the history of mankind.

There are those who will threaten other ministers if they do not pay their 10%, they cannot serve (minister) in their churches. They tell them *“you are a leader; therefore you should of all people lead by example and tithe,”* Hmm? My friend, this is thievery in the countless temples (churches) across America from L.A. to New York, to the Florida Keys. Most promote this trickery *are* spiritual Pharaohs, they are bullies! They use the Bible to overtake the weak; fleecing, robbing and abusing innocent and unlearned people of all ethnic and economical statuses to give them their money in the name of God.

Oh! Before we dive into this manuscript, bear in mind, God is not swayed by the masses. He is God. His Spirit lives and he is not moved by the majority whatsoever. **Only 8** people were saved from the flood, the family of Noah. The majority does not rule. A pulpit predator is someone who preys on the weak. They will attempt to make you believe the majority rules.

Predatory preachers are mostly found in the office of a pastor, many don't know they are because they go along to get along with what has been taught to them, nonetheless, they are guilty of lying and stealing too in the name of God, unlike their counterparts that are crafty and know that tithing is not for New Testament followers of Christ. These are they that are very persuasive to those who are brainwashed by them. It is very important to know that all messengers that God anoints and sends forth, are not just pastors. Therefore, we examine the work of the pastoral office without bias or any motivation accept to set at liberty anyone that has been deceived or corrupted by pastors who are notorious for having their own clicks and clubs, but God will have his say

in the matter of the deceitful works of countless pastors who have cursed themselves and their followers contributing to the epidemic of mental illnesses, violence, lack of respect for God and the like.

The United States Supreme Court examines the practicing of law and decisions in lower trial courts as the people bring their grievances before them. It is the responsibility and obligation of all judges to report any unethical and or deceitful practices of their fellow judges to the Supreme Court to protect the judiciary and confidence of the people. The United States judiciary process is supposed to uphold the rights of the people to have liberty and equal protection of the law, and thus it is the same for anyone that is a sincere follower of Jesus Christ who has been called into ministry. We have an obligation to God and his Son, Jesus Christ to expose corruption of wayward preachers and imposters of the faith. Corruption is nothing new in the church. Nonetheless, we have never seen it as pervasive as it is, due in part to technology. The internet and television of course has provided a portal for predators to manifest without any regulations whatsoever. Ministry is big business and the false doctrine of tithing from the Law of Moses is seated at the root of the matter.

Sincere followers of Jesus Christ have been liberated from the Law of Moses given to the sons of Aaron, the Levites, concerning first fruits (tithing). We are blessed to have the Holy Spirit to comfort, teach and manifest his gifts for the encouragement of our fellowman without being detained, subdued or indoctrinated by false teachers who are in many cases, practicing the law of God illegally. They are corrupt and have violated the rights of multitudes of innocent people. And thus, these preachers should be “disbarred” immediately! They have violated the rights of God’s people to freely love, serve and walk with him. Therefore, the following has been inspired by God for the renewal and reformation of Jesus Christ church for the Glory of God and the recovery of your wallet from the enormous amount

of thieves in the temples of America. Let's take our time here and lay a foundation and some clear understanding.

Now follow me very closely, Jesus has given 5 different types of preachers (ministers, messengers) to assist God in harvesting lost souls to turn from our sins, receive forgiveness through Jesus Christ, and to be trained in right living and how to become ministers (servants) of Jesus Christ. Ephesians 4:10-13 tells us the name of these ministry gifts:

Apostles ~ Set Up

Start churches in foreign territories where
Jesus Christ has never been preached

Prophets ~ Stir Up

Warn the people, bring correction

Evangelists ~ Fill Up

Constantly preach salvation in the Name of Jesus
Christ, challenging sinners to be saved

Pastors ~ Grow Up

Assist, nurture and care for the assembly

Teachers ~ Train Up

Teach and train followers in the Word of God

Notice the variety of the above ministry gifts to the Body of Christ. Each of these ministry gifts are different in their primary calling and function, just like court judges vary in their practice of certain law in different courts such as probate, bankruptcy, juvenile, criminal ect. Nonetheless, they should all maintain the disposition to protect the right of the people at all times with fairness, and protection of the law. And so it is with real messengers of Jesus Christ. We are obligated to protect the purpose of Jesus Christ, which was simply; to save humanity from their sin and restore our relationship back with God, void

of any interference of false messengers or preachers who without fail will always twist the Scriptures for their own personal gain.

The most distinctive characteristic of a “God sent” preacher is he or she does not lust after materialism, nor does he or she love money. *“For the love of money is the root of all evil; which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows., 1Timothy 6:10.* The love or lust for ‘financial security’ is directly associated with what? Money. Money denotes power. My friend this is why countless pastors refuse to stop twisting the Scriptures concerning tithing. Tithing benefits “their agenda” for ministry. Nonetheless, we beg to question, did Jesus live by faith? Who did Jesus pay his tithes too? What about the 12 apostles of Christ during the entire time they walked with Jesus? Who did Jesus’ mother Mary and father Joseph pay their tithes too? What about Paul the apostle of Christ, who wrote most of the New Testament epistles who suffered tremendously, who did Paul pay his tithes too? Leave it to our modern day false teachers on tithing, Paul would be under a biiiig curse for robbing God because he was not a tither and his sufferings would be the direct result of “the curse” the false teachers claim you will incur if you do not bring your money into the ‘storehouse.’ This is their hustle....pay up or be cursed!

Please allow me to take my time here and explain a very important fact you must understand about a particular type of preacher that is being exalted by countless imposters, who are in part, the driving force of the false doctrine of tithing in many mainline charismatic denominations, and that is the office of an apostle, which simply means a sent messenger, nothing more and nothing less. All of the sent messengers (apostles) of Jesus Christ were all students of his teachings, they were his disciples first. They were commissioned to go into all of the world and preach the Gospel of Christ and make disciples after they spent

significant time with Jesus. This is the qualifications of a real messenger of Christ whether you are called (invited) to speak for him as an apostle, prophet, evangelist, pastor or teacher. You must go through a time alone in your life, just you and Jesus. He is the only one authorized to anoint, commission or send forth anyone, Ephesians 4:10-13.

Okay, let's move on and deal with these 'super' apostles and see what they are really working with besides lies, arrogance and bags of tricks in the Name of Jesus Christ and the Holy Scriptures they have twisted to exalt themselves and their pet doctrine of demons ~ tithing.

“Now the Spirit speaks expressly, that in the latter times some shall depart from the faith giving head to seducing spirits, and doctrines of devils....1Timothy 4:1”

Preachers Gone Mad!

There are countless men and women who claim they are apostles; and some have gone as far as to regard themselves as ‘chief apostles,’ Hmmm? These people thirst for recognition and power, twisting the meaning of an apostle to denote they have some special power, revelation and authority over the church of Jesus Christ. They arrogantly and erroneously claim they are in charge of all of the other preachers; prophets, evangelists, pastors and teachers, when in fact, it is Jesus! Yes, super apostles, it is Jesus!!! A word to the wise, it is best that you stand down and denounce your false titles as apostles and go back to your first love, eternity is forever. Pride will disqualify you. You have been deceived. All preachers or messengers belong to Jesus....*“So Christ himself gave the apostles(sent messengers), the prophets, the evangelists, the pastors and teachers, to equip his people for works of service, so that the body Christ may be build up...Ephesians 4:10-12.”*

Why is this very important to understand, because many deceitful workers in our midst claim they are apostles in America, run in ‘packs.’ They are not students of Jesus Christ. They are students of one another, earmarked by arrogance, a dictatorship disposition forcing followers to submit to ‘their’ authority, carrying with them this false doctrine of tithing, demanding payment of all the pastors who follow them, whom they exhort to harass their followers; if they do not pay their 10% to “God,” they will not be blessed. These false apostles are the master manipulators behind this false doctrine of tithing in their charismatic denominations, “Alpha Wolves” intimidating and dominating the weak and unlearned in ministry who have not yet been commissioned by Jesus Christ. These are they that solicit pastors to come to them to be ordained under their organization and pay 10% of their ministry’s revenue. It is set up just like a business multi-level marketing

sales model. Each one, reach one and the super apostle or pseudo (fake) bishop will assist you in becoming successful in your new church plant or ministry. These men and women are apostate. *Young ministers RUN!* Stay with God! His spirit lives and he is a keeper via the Holy Spirit!!! These people have not been commissioned by Jesus, no more than most preachers who are running to seminary to be ordained by men. Why? Because the anointing for ministry has got to be Jesus! No one but him! Seminary teaches you humanism and theology void of reality of the Spirit of Christ that must be experienced, NOT expounded. Only the thirsty for God, shall find God, not information about him and public speaking strategies how to exegesis text and doctrine.

Being called (invited) to ministry is not the same as being commissioned (given permission) for ministry. Here lies the problem for multitudes of young ministers who are being seduced to serve mortals and their wicked agendas. Your calling is just an invitation. You must go through a ‘dying’ process to your desires, motives; and all love for this present world before Jesus commissions you for ministry. You must know him. He is Lord of the harvest. In the meantime, you are to remain a student of the Scriptures, a witness of Jesus Christ as savior from sin and learn of the person of the Holy Spirit, the teacher, comforter and the one who glorifies Jesus through you,

“But when the Comforter is come, whom I will send unto you from the Father, even the Spirit of truth, which proceeds from the Father, he shall testify of me...John 15:26.”

Jesus called Peter and his brother Andrew who were fishermen, *“and straightway they forsook their nets, and followed him, Mark 1:18”* This is the proof you have been invited (called) by Jesus, you have no other desire in this world accept to know him and assist him in saving lost souls from hell’s eternal fire. It is during this time that Jesus asks you to follow him the same as he asked Peter and Andrew. School is in *with* Jesus. The

preacher who has been disciplined and taught by the Holy Spirit will exalt the doctrines of Jesus, and my friend, Jesus did not preach or teach adherence to the Law of Moses (tithing). His messengers exalt Jesus Christ, not the Law of Moses, not houses, cars and land. Not denominations, bishops and prelates, it's all about the death, burial and resurrection of the Savior of the World. They strive to persuade men to turn from their sins and be saved from eternal separation from God in the torments of hell. *“Whosoever transgresses, and abides not in the doctrine (teaching) of Christ, has not God. He that abides in the doctrine of Christ, he has both the Father and the Son, 2John 1:9,*

Peter was commissioned later as a ‘sent messenger’ which again, means apostle. He was a student of Jesus Christ, first! If you sense the call of God on your life to be a messenger for Christ, you must spend time with Him. You must *know* him. You must learn “his” voice, NOT the bishop! This takes time and much studying of the scriptures without indoctrinations of men. The Holy Spirit makes all the difference. He is in the earth to glorify Jesus. If you want to know the measure of Christ in your life and those who have been teaching you from the Scriptures, the million dollar question is this: when was the last time you exalted Jesus or heard the preacher really talk about Jesus? When was the last time you really thought about Jesus? Are you a fan or a follower of Jesus? The difference between the two is that fans make much noise, but they do not follow his teachings, nor do they tell anyone else about Jesus. Fans know nothing about Jesus except what man teaches them, this is why the false doctrine of tithing thrives through the decades and centuries of those who have not taken the time to get to know the teachings of Jesus. *“Whosoever transgresses, and abide not in the doctrine of Christ, has not God...2John 1:9.*

The fake apostles in our midst want you to follow them instead of Jesus Christ and believe everything they say without

inspection. Thus they conspire together to scandalize those who oppose their traditions and teachings. They're no different than the Pharisees of Jesus day who were the pious 'good ol' boys club full of hypocrisy, lies and no compassion for people whatsoever. We're going to read about them in the next chapter.

Oftentimes, those who submit to their folly are insecure men and women who want to be recognized and elevated by their super apostles. They lust for money and security in ministry the same as "their apostles." Nonetheless, they are as Paul, a REAL apostle (messenger) of Christ told us, *"For such people are false apostles, deceitful workers, masquerading as apostles (messengers) of Christ. And no wonder, for Satan himself masquerades as an angel of light. It is not surprising, then if his servants also masquerade as servants of righteousness. There end will be what their actions deserve, 2Corinthians 11:13-14."*

The following is their favorite misquoted scripture they will use to claim there is a hierarchy amongst preachers and they are the men in charge; there the *Superstar*: but let's take a look at the truth of the matter. 1Corinthians 12:27-31, *"Now you are the Body of Christ and each one of you is a part of it. And in the church God has appointed first of all apostles, second prophets, third teachers, then workers of miracles, also those having gifts of healing, those able to help others those with gifts of administration, and those speaking in different kinds of tongues. Are all apostles? Are all prophets? Are all teachers?*

Does Paul, by first stating that "God has appointed first of all apostles" leave us to believe church leadership is a hierarchy that is under the authority of apostles? **Absolutely NOT!**

This text simply lets us know and understand how the early church was set up and established. Remember, the word apostle in its New Testament, Greek meaning is messenger or sent one. In order for a fellowship or church to be established, you needed

a “messenger” or “sent one” to go first. Why? They were anointed and commissioned by Jesus Christ to preach where the message of salvation was not yet heard. How could the people hear except for a preacher that had been delegated authority, not only to preach Christ, but also to teach, train and install elders (older men), and other leaders and teachers in the churches they pioneered and brought the message of the Cross? These foundational apostles/messengers were instrumental in laying the historical foundation of the early church where Jesus Christ had never been preached, proclaimed or taught his purpose to die for the sins of the world, apostles, sent messengers had to go first.

Okay, now follow me very closely, here lies the deception of the women and men who are self appointed apostles. Have you ever seen so many on Facebook? Oh my word, it is absolutely unbelievable!!!! Nonetheless, real apostles are missionaries. Yes! The apostles of Jesus Christ all preached him crucified after traveling to cities and regions that never heard of Jesus. Now follow me....how is it possible for any so called “apostle” such as we have in abundance here in America to justify the fact they have never once stepped on foreign land, and if they did, it was for a vacation trip to spend their stolen tithes and offerings from God’s people. America was established by Godly men. We do not need apostles here ~ *we need some prophets!* We need some serious correction and confronting of the ministry madness going on in the Name of Jesus Christ. It’s time for a showdown on Mt. Carmel to expose the many false prophets that are rampant just the same as these big head false apostles running around mocking God and Jesus Christ. Before there was *ever* an apostle, God always used prophets, always!! Come on preachers, read your Bibles. If anyone can boast of being first, its prophets! Their ministries for God are all throughout the Old Testament long before the apostles of Christ were commissioned. In fact, there are at least 73 prophets mentioned.

What shall we say to these things, all of you power seekers,
SHUT IT UP!!!

If you have “Apostle” in front of your name, you’re out of order! YOU ARE A WANNA B! Paul, the apostle of Christ wrote 16 letters (epistles) or most commonly referred to as “books” in the Bible. Not one time did he salute the churches by referring to himself as Apostle Paul. Not once. He referred to himself as Paul, a servant of Jesus Christ, called to be an ‘apostle.’ Notice that’s with a lower case ‘a.’ What are we saying here, any preacher that does otherwise has not been sent by Jesus or they’re backslidden. Either way, it is not of God. Stand down preachers and try your heart before God. You cannot do what you want in Jesus’ harvest. I have one word for you, REPENT!

Real apostles and messengers sent by Jesus are like Rolls Royce, they do not advertise, and you don’t hear them on the road. Real

messengers of
Christ are
humble servants
who have given
up everything,
just like Paul
the REAL
apostle did for

Christ, minus all the rhetoric about his “apostolic anointing” that our modern day wanna b’s continuously herald as if they are soooo deep ~ *Get Over Yourselves Already!!!* You are not apostolic, you’re apostate. The fact a person keeps making noise about them being in charge of Christ delegated authority is a sure sign you need to repent and do your first works over.

You’re dangerous and in danger of hell’s fire. Jesus is LORD over his church, no help wanted or needed in that position. All false apostles need to take a trip to “the altar” and cry out for

some mercy! There are only two eternal destinations, heaven or hell. Heaven will not be any preacher's destination who have lied on God and fleeced his people. Rest assured; you will not escape his judgment unless you repent.

In the natural body, the brain is in charge of all functions in the body, all of them. Any cell that tries to take over another has the potential to destroy other cells by its "dominate" intentions, and so it is in the Body of Christ. No apostle or messenger has the right to dominate any other gift in the Body of Christ to submit to them, but rather to holiness and right living. The head of the Church is Jesus! He is the Head of His Body. All else are imposters, cancerous and hazardous to your spiritual health.

Get away from them! Run for your life! AND! Don't forget to get your wallet, piggy bank, purse, 401K, trust funds, rainy day monies and the like!!

Paul was not a tither, he was a suffering messenger (apostle) of Christ, unlike our modern day apostates, *oopsy!* I meant to say apostles; and reverends, bishops, senior pastors who cry and have emotional break downs if you don't bring a visitor on "Friends and Family Day" to purchase their latest CD teaching series on "How to Open the Windows of Heaven." They know nothing of real sufferings that Paul the apostle endured so that we could partake of the wonderful gospel of Jesus Christ.

Paul was beaten 3 times with rods, shipwrecked 3 times, whipped 5 times receiving 39 lashes, once stoned, bitten by a serpent, abandon at sea one night and one day, in weariness and physical pain, people constantly trying to kill him, troubled by false brethren, hungry, cold and in nakedness 2 Corinthians 11:20-28 Nevertheless, this man of God preached the real gospel of Jesus Christ that we have today! Glory to God forevermore! How is it possible for any preacher in our 21st Century church to ever quit ministry when we consider the pains of Paul? According to the false teachers of tithing, Paul

would be considered a cursed man, with a ‘closed heaven’ over his life with all of his woes because he was not a tither....God Help Us All!!!!

Predators prey on the unlearned. The average church attendant spends absolutely no time in the Scriptures studying for themselves. They read the Bible, but they do not search the Scriptures. There’s a vast difference between reading and studying. They depend on the preacher, most commonly the pastor to teach them about God, and they do ~ the false god of mammon ~ the money tree. Their hearts cry is *“Get more tree and bring it to me.”*

This false teaching on tithing is the biggest con game in the history of mankind since the death, burial and resurrection of Jesus Christ. It is devilish and scandalous indeed when we consider that 99% of the men and women who harass their followers to pay or be cursed, have the audacity to tell their followers how much to give to them additionally for their birthday and anniversary celebrations! Never mind the fact they are already stealing from the people and lying on God, now it’s their birthday, and they are going to tell you how much more to give to them...my friend, this is shameless behavior all across America. It is wicked, wicked, *wicked!!!*

They are they that preach and teach their 20 minute “Snack Pack Sermonettes” week in and week out, while taking up “their” tithes and offerings until the next Sunday when they come back to do it all over again. They are hirelings that have not been sent by God to teach and train the people in the ways of God and his righteousness. They teach how to become rich, rather than right with God, many ‘herding’ the people like cattle through 3-5 services in a Sunday morning, this being the pattern of most ‘mega’ churches. Some will boast how they are able to ‘preach’ 5 sermons between the hours of 8 a.m. and 1:00 p.m. every Sunday morning; raking in the cash money for their pulpit

performances that countless people have absolutely no clue they are being prostituted in the Name of Jesus Christ by these false teachers who cannot exist without twisting the Scriptures and sticking together to intimidate the masses. Countless churchgoers do not know Jesus Christ or God the Father of all humanity whatsoever for themselves. Some will defend their deceiver's and not take the time to hear and consider the fact they have been deceived. The mere fact that anyone would defend a mortal man and not Jesus Christ who died for their sins, is an indicator that one has already been deceived by the rampant growth of pseudo anointed men and women.

Many of their church services usually last no longer than 45 minutes each Sunday morning. They get you in, and get you out. The services are controlled by them from top to bottom as if you are attending a secular Broadway show or your at a visit to the doctor's office where time is money, and money time.

There is no time to wait on the Spirit of God to manifest his gifts to exhort, edify and bring comfort to individuals. Nor is there time to really worship God in spirit and in truth through songs of praise and thanksgiving. There is no depth teaching from the Scriptures. It is topical exegesis of the Scriptures, motivational preaching that never brings conviction to the hearer, thus multitudes suffer a plethora of spiritual maladies because they remain unmoved by the Spirit of God to repent from their sins, but, the preacher continues to stack their monies and ride out into their suburban homes to prepare for their mid-week high end department store shopping sprees with their stolen monies. Thieves in the temples! Will a man rob God? Yes! Every time a preacher tells a follower of Jesus Christ they must 'pay' ten percent of their income to God, yes preach! You you ARE robbing God!

These are they that have been taught by men. They have not spent time with God for themselves to be taught by his Spirit, but rather from men who are destitute of the truth who mirror

the same objective across the nation to sustain their churches by heralding the false teaching on tithing. Like wolves, they run in packs with this false teaching that has cursed America. You say how so?

America has never seen so much violence, pornography, greed, murder and blatant disrespect for God. It is mind boggling! We have never seen so much sickness, disease, yet we have never seen so many churches bursting at the seams in our communities. Why? The Bible is the product, the name of Jesus Christ is the celebrity draw for them, and the false doctrine of tithing is their conversion plan to retain their customer base to build their revenue and other pastors is their competitors they warn their followers not to visit, or shall I say it this way, do not 'church hop' because they do not want to lose their business to the other mega corporation down the street. Church is business for most and the ten percent doctrine helps them keep it going and growing.

Nonetheless, if God was blessing the multitudes as the false teachers of tithing claim they will be if they pay their tithes, America would be the most sane, peaceful and joyous nation in the entire world, but instead we are more violent, murderous, sexually perverted and disrespectful to God than ever. Mental illness plagues 1 out of 4 Americans whom over 100 people commit suicide every single day (this includes pastors) as we boast to be the third largest confessing Christian nation in the entire world. Something is wrong with this picture! What is it? Businesses exist for only one purpose, to make money. And let's face the hard core facts, many of us have been deceived by the best who make all kinds of claims about their product that we have yet seen come to pass because they are 'fake like Jake.' If it wasn't so, how do we explain the countless pastors killing themselves, mental illnesses are a epidemic we have in our churches, the countless premature deaths, chronic illness that have the people bound from the pulpit to the pews riddled with cancers dying of brain strokes, heart attacks and all manner

of maladies, and yet, they claim to be ‘blessed and highly’ favored of God because they are tithers? My friend, this is not blessings, this is pestilence and depravity.

Alright let’s go and check out what the Spirit of God is saying, like the BBB (Better Business Bureau) we have some uprooting and tearing down to do in the Name of Jesus Christ of Nazareth to report to you who to cease doing any eternal business with. Let’s dive in more and put them ALL out of business for the Glory of God. Why is this very important during this time in our Nation to expose the lies of fake preachers of Jesus Christ? Because false teachers have heaped billions and billions of dollars unto themselves with this false teaching on tithing disregarding the poor, widows, orphans and the downtrodden.

YOUR TIME IS UP!

Alright my friend, get yourself a cup of coffee or tea and follow me. But make no mistake here as we move forward, followers of Jesus Christ should support those who are ‘sincerely’ laboring for God for your soul to be saved for eternity. For that, we should all want to contribute to releasing any financial burden of the church fellowship or a minister, especially if you have monies to assist, but no man or woman who claims to be a servant of Jesus Christ, should EVER demand payment of ten percent of your income inciting fear and false promises of prosperity. They thrive where there is ignorance and trust in traditions that have been passed down without inspection.

Watch that Old Serpent

The reason many people gravitate towards traditions without any inspection is because traditions are predictable. They do not require any work in seeking God, but rather what has already been ‘handed’ to them that is logical. Nonetheless, tradition snuffs out the voice of God. This is why traditionalists love it more than God and people ~ they love control. It encourages pride and self-righteousness opposing freedom in Christ Jesus whose mind was set on the restoration of our lost souls. His mind was on you and me, not the law. The teacher had come; no longer do we need the schoolmaster of the law that hinders the Holy Spirit from leading us to love beyond the law.

The Holy Spirit is unpredictable, he is subject to unction and quicken us at any moment to do a certain thing, and more often to say things that oftentimes is very difficult to speak because it is bi polar the masses and the false church that thrives off ignorance of the people and their application of the law to seduce others for selfish gain.

Now follow me very closely here...according to the fourth commandment of the Ten Commandments, *“Remember the Sabbath day to set it apart as holy...Exodus 20:8-11,” it was unlawful for anyone to work on the Sabbath, which means to cease, to rest. God told Moses, “Anyone who works on the Sabbath must be put to death, Exodus 31:12-17.”* **Now follow me very closely,** Jesus healed a man who was lame for 38 years on the Sabbath Day, Jesus broke the law maintained for countless traditions given to Moses as one of the Ten Commandments. The religious leaders; the Pharisees, a group of Jews who tried to obey all of God’s laws, often caring more about the law, traditions and religion than God and others,

some of these men wanted to kill Jesus for healing this man. Story told in John, Chapter 5 (Please read this for yourself).

I need you to really imagine this....Jesus told a man to take up his bed and walk after being paralyzed for 38 years! These heartless religious traditionalist could care less, instead they told the man, "*It is the Sabbath day: it is not lawful for thee to carry thy bed, John5:11.*" The miraculous power of God was manifest right in front of their eyes, they had no compassion whatsoever and no regard for the glory of God that healed this precious man. Instead they made light of the law. The same as those in the 21st Century church who demand followers to 'submit to their authority' and pay tithes to their organizations while they ignore the massive amounts of people who are homeless and impoverished, demanding payment to keep their extravagant buildings and lifestyles in the Name of Jesus Christ who broke not only the law of Moses, but one of the Ten Commandments of God, why? Jesus was fulfilling the law! With what? LOVE!!!!!! Jesus had love and compassion for people! The law restricts the voice of God to help people!!! It hinders the leading of the Holy Spirit who lives in the heart of real Christians who follow the voice of Jesus Christ as he directs us in the harvest of souls for the Glory of God.

If God tells you to give your 10% to a homeless man, *the predatory preacher will manifest!* Why, the tithe is *their* money! Not God! They will want to stone me for telling you the truth in the Name of Jesus Christ and kill you for listening! Why? *You are disobeying them.* I speak without bias or any other motive accept to liberate you, I have nothing to gain, they do! YOUR MONEY! Nonetheless, I have a word from God for ALL defenders of the tithing doctrine....*REPENT OR PERISH!!!* You are what Jesus called the religious guru's of his generation ~ VIPERS! "You serpents, you generation of vipers, how can you escape the damnation of hell? Matthew

23:33 You can't and you won't if you do not stop your lying and your stealing.

The Pharisees hated Jesus, why? He could not be controlled by the law or any man. He was led by the Spirit of God, the same that every born again follower of Jesus Christ should be, constantly asking the question "What Would Jesus Do" in all points of your life. My friend, *Jesus was not a tither!* Nor did he demand payment from his 12 disciples, cursing them with Malachi accusing them of robbing God. Pastors, why are you? Come on preacher, you will not break the lust for the

Benjamin's and Hamilton's until you admit the truth of the matter ~ you are in too deep and for most, you don't want to let go of your materials, but Jesus ask the question, "*For what is a man profited, if he shall gain the whole world and lose his own soul? Or what shall a man give in exchange for his soul?*"

Matthew 16:26. My dear brothers and sisters, you have exchanged creation for the creator under the guise of religion. You have been hoodwinked! God wants to set you free today. That is why you are reading this book. I am rebuking you because you are to be blamed for the state of the union, NOT the politicians. It is not the white house that legalized same sex marriage, it was the countless predatory preachers that allowed same sex marriage to be legalized! Reformation is needed in the pulpits of America, not the white house. The culprit is in our pulpits!!! Unchallenged by the masses who are following traditions of men of corrupt minds without inspection.

Tradition is a pattern of handing down statements, beliefs and information from generation to generation that one does religiously. Religion is the application of a tradition. Example, most people by tradition brush their teeth first thing in the morning after they awake. They do this religiously. When Jesus showed up on the scene, he began to do things differently that went against the tradition or laws of Moses that the religious leaders practiced religiously.

Tradition is like a serpent. If you allow it to get around your heart like a boa constrictor, it will suffocate the voice of God and leave you captive to stale, dead and predictable religion. Nonetheless, God is Alive!!! He is still speaking to those who are his. He is always in motion. He is spirit and life that liberates us and guides us into green pastures and still waters where we find rest for our souls and gives us morsels of spirit filled words and deeds to assist in his harvest of the souls of men. Glory to God forevermore! He is Holy! He will never ask anyone to do an act of kindness for the edification of a sinner or hurting human being, that will ever contradict his Holiness, never! But my friend, God will transcend rules, rituals and traditions to love them as he sees fit. This is why one must be filled with the Holy Spirit to be led by God day to day in the harvest of souls, just as he led Jesus, and thus, he was hated of men who were poised by their religious rituals and traditions. *“Making the word of God of none effect through your tradition, which you have delivered: and many such like things you do, Mark 7:13.* One of the “like things” some of our modern day traditionalists do, who will pass out and die if you touch the communion wood table in their churches. It is considered ‘sacred’ and a tradition that no one ever touches it, BUT! Why is the thing sitting in the middle of the floor!!!

The church is the size of a shoe box; everyone is scrambling around it and knocking one another around trying to avoid this 5ft. wooden idol! Yes, that is exactly what it is; that grandma and them told us not to touch for years and years....my friend, this is not only idolatry, it is hazardous! God ain’t in it!!! He no longer dwells in temples made by the hands of men, he lives in our hearts, not graven images crafted by man, and thus we no longer are required to bring tithes into a storehouse under the law. American preachers! Away with your idolatrous traditions! Wake up and Be Set Free to serve God in the beauty

of holiness and joy! Jesus told us that the truth would make us free, John Chapter 17.

Preachers, go back to your first love! There are those of you who are more loyal to your denomination and church creeds than you are to God and his Word. You are more loyal to your so called overseers and prelates than you are to Jesus Christ who you claim has called and saved you from your sins, yet you refuse to listen to his voice and thus, you have fallen into this damnable evil that has corroded your soul and those you have placed curses and evil speech because you cannot pay your bills, thus you beat them psychologically by threatening them with God's Word to not only pay your bills, but to assist you in indulging your appetite for excessive and extravagant living. He forbids it preacher! God is not mocked, what you are sowing, that you shall reap 100fold! And for some of you, in the words of a very popular charismatic prosperity preaching false teacher, who started a demonic mantra: "*MONAAAAY!!!! Cometh to Me NOW!*" Your money has come to you! And you are going to burn in hell forever if you do not send it back!

Cursed Is the Tither!

Why So Much Depression

Let's take a look at the false teacher's most favorite scripture to harass church goers and steal from them, Malachi 3:8-3-11.

"Will a man rob God? Yet you have robbed me. But you say, wherein have we robbed thee? In tithes and offerings, Malachi 3:8 God was speaking to Israel through his prophet Malachi whose name means 'messenger.' His message was very clear for the Israelites, NOT followers of Jesus Christ. Malachi expressed concern of their ten (tithe) percent offerings of crops to help care for the temple.

Malachi was speaking of God's commandment to Moses after he brought the Israelites out of captivity from Egypt that *"All the tithe of the land, whether of the seed of the land or of the fruit of the tree, is the Lord's: it is holy unto the Lord, Leviticus 27:30* These instructions are considered part of the law of Moses.

Now follow me here....Paul, a "real" apostle of Jesus Christ made it very clear in his writings to new converts of Jesus Christ in the city of Galatia, who were being enticed by others to add the observances of the Jewish law to their faith in Jesus Christ, *"Wherefore the law was our schoolmaster to bring us unto Christ, that we might be justified by faith. But after that faith is come, we are no longer under a schoolmaster. For you are all children of God by faith in Christ Jesus."* Galatians

3:24-26 Anyone that is a follower of Jesus Christ who has repented of your sins and you have been born again by the Spirit of God, you are no longer required by the Law of Moses to pay God anything. You are a child of God. You are his and he is yours. No one should demand payment of children of God. NO ONE! *Jesus Christ has paid it all!* He was a perfect sacrifice. No more sacrifices are needed from anyone.

Demanding tithes (10%) of anyone's income is trickery and anti-Christ. This is why so many pastors are committing suicide and according to the Schaeffer Institute, 70 percent of pastors are depressed, 71 percent are burned out, 35 percent leave the ministry, why? You cannot teach lies and curse God's people and get away with it. Ministry is not about the preacher, it is suppose to be about Jesus. He is a burden barrier and heavy load sharer. Jesus is able to keep those he sends out into the harvest. We are his and he is ours. Peace is the compass for any preacher. Without it you are without Jesus. He is the Prince of Peace, Isaiah 9:6 tells us. Jesus is Alive! He is in charge of those he sends out into the ministry, for anyone to labor without his peace means one has wandered from Jesus Christ. The false doctrine of tithing has deceived countless preachers to wander from Jesus and they that follow them have done the same. Mental torment has taken over multitudes of confessing Christians, and mainline leaders of denominations have openly confessed they have had nervous break downs, while some have committed suicide? Why? The preachers have cursed themselves and multitudes with the law concerning tithing.

"For as many as are of the works of the law are under the curse; for it is written, Cursed is everyone that continues not in all things which are written in the book of the law to do them.

Galatians 3:10" My friend if you are a tither and you do not keep all of the other 612 Laws of Moses, you are cursed. This scripture is clear without exposition. Jesus sacrifice for your sins is in vain if you continue to look to the law to make you right with God. It will not, it could not and thus, God gave his only Begotten Son, that whosoever believes on him shall not perish, but have everlasting life, John 3:16. NOT whosoever shall continue to observe the Law of Moses. Your faith must be in Jesus Christ and him alone. All else makes his precious sacrifice in vain, God Forbids it my friend!

Countless preachers harass their congregations with the words of Malachi, *“Will a man rob God? Yet you have robbed me.*

But you say, wherein have we robbed thee? In tithes and offerings, Malachi 3:8 This is precisely what they have done. They are thieves, robbers and for many, they are psychological abusers in the name of God, harassing the people by telling them God is going to curse them if they do not pay them 10% of their income. This my friend is witchcraft. God is not in it! Therefore we have an epidemic of mental illness amongst preachers who herald this dogma relentlessly. Some have succumbed to theft charges of all manner of fraudulent behaviors to scam the government and business deals they are attempting to make more money. Not to mention the countless pastors who are now in Hollywood reality TV attempting to cash in on entertainment and fame, driven by an unquenchable lust for more and more. All of the pastors who are currently on television networks and reality TV all have one thing in common....the false doctrine of tithing.

Why is this very important to take note, because the curse of the law they preach erroneously is rooted in the love of money. They flaunt and showcase their material possessions to entice others to keep giving them their hard earned monies because they are brainwashed into thinking they are going to be ‘blessed’ like the backslidden preachers on these reality TV shows. My friend, do not believe the hype, all of them are backslidden and deceived by the god of this present world system, Satan. If you dare take it all away, they will all likely commit suicide, why? Materialism and the pride of life is their god. The love of God is not in them, “For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world, 1John 2:16.

The worst part of this whole money scam is this, they claim the blessing of God is on the tithe, nonetheless, most of all tithers

those who donate to churches their offerings file their income taxes and report their 10% and offerings as a tax deductible.

You pay “God” supposedly your 10% and then you go to the IRS and ask for a tax credit, and thus, this is why most church organizations are 501c3. The government will not extend a tax credit unless the money given to the organization is recognized by them....hmmmm?

The number one reason countless pastors struggle with mental illnesses is simply because they are worshipping materialism, success and financial security. They demand payment of monies God does not require...*they do!* **It is thievery and hypocrisy.** How so, because none of them keep all of the 613 Laws of Moses, given by God besides tithing crops, thus they are under the very curse they attempt to place on their follower’s demanding them to pay “them” or be cursed by God...Hmmm?

A curse means you are doomed with gloom, sadness, darkness, heaviness, and hopelessness. It is the opposite of blessing. The soul is not blessed when the soul is tormented with fear, oppression, and anxiety unlike a blessed soul with peace, joy, faith, hope, and love. The proof of God in our lives is our soul is no longer tormented with guilt, shame and fear of judgment but rather blessed because we have been born again through Jesus Christ. We have been restored back to God himself via the Holy Spirit, we are saved. Glory to God forevermore! Jesus is Lord also of the Sabbath, Luke 6:5. Where he is, the soul has found rest.

Tithing is a tradition of men, a commandment of men for their own ‘temples.’ It is no longer required by God because it removes the focus off of Jesus. It steals rest. God has given all power and authority to Jesus to correct the condition of the heart of man, sin and rebellion. He will forgive the sins of any repented soul that will humble themselves and ask for help. The

law blocks Jesus from being lifted up. He is the savior of the world and he told us, *“If I be lifted up from the earth, will draw all men unto me. John 12:32”* Jesus must be lifted up, not the ‘super apostle’ and bishops, NOT your pastor nor The Law of Moses, why, it hinders grace, it harms the soul in that no one could keep the law before Christ and we certain cannot after Christ. Tithing was one of 613 laws (or rules) God gave to Moses. I thank God for Jesus Christ! 613 laws is a whole lot to keep up with!

Unfortunately, many scoff at the truth of the matter, especially pastors in particular who love to adhere to this false doctrine because out of the 5 ministry gifts Jesus gave to the church to help follower’s of Christ grow, (apostles, prophets, evangelists, pastors and teachers Ephesians 4:10) pastors stay with their followers, they have an opportunity to reap tremendous amounts of money if they can grow ‘their’ churches and indoctrinate their followers who do not know Jesus Christ’ voice and the Word of God for themselves in this particular area. Tithing has become a false god within itself countless predatory preachers worship and will kill to protect it instead of The Gospel of Jesus Christ, why? Their real motivation is not Jesus Christ death burial and resurrection for the sins of the world; it is money, success and power.

Let us be very clear and understand full well, a pastor who receives 10% of 100 followers income weekly and annually is a great way to earn a decent living, PLUS, they offer you a tax credit too!! Everybody wins! They get the money, you get the tax break and everyone is glorified and happy. Come on brothers and sisters! You have received all the blessing you’re going to get on that 10% and your offerings the moment your church sends you your annual report. This is especially true when they are charismatic, educated and have business savvy. You will find these are they who are the center of attention in their churches. They can do no wrong. I have met people who

are willing to fight for “their” pastors who are predatory preachers, and yet, they are blinded, while the pastor will harass them to no end over their false doctrine of tithing. But I beg to ask the question: Why don’t these fanatical people fight for Jesus Christ the same? I will tell you, because most DO NOT know Jesus. They are fans of men who cannot forgive sin, who have taught them this false doctrine of tithing. Real followers of Jesus will put no trust for their souls with mortals who cannot forgive their sin; they love God with their whole heart, mind, soul and strength. They understand church fellowship is necessary, but it cannot save them, only Jesus whose name is worth zillions of dollars to predatory preachers in pulpits throughout America. They use Jesus name to bait, capture and indoctrinate the weak and unlearned.

Tithing is a conversion tactic to keep victims psychologically fearful of God while being financially prostituted over and over again. Or shall I say week after week, after week as those who have been seduced give their hard earned monies. *All are liars! All!*

Money destroys ministries not because there is not enough necessarily, but rather, the controlling and demanding method to receive it placing the preacher that does this in a disposition of entitlement, therefore it encourages frustration, anger and seething resentment in their hearts, fueling their constant dogma and lies that “God” is going to ‘curse’ those who do not pay their tithes to God and your life is going to be a miserable disaster. This is witchcraft. It is diabolic in that multitudes are suffering while the average so called pastor in America is living off the hog ignoring the cries of the people in their congregation, communities and cities, indulging in their stolen monies from God’s people. Affluent churches are hoarding money, buying ridiculous statues and spending large sums of monies on things to sit around the church building for show

ignoring and refusing to bring relief of basic necessities in life; food, clothing, shelter etc. to the poor in their inner cities.

What is interesting to note, is that the preachers who really get angry about this “doctrine of demons” is always pastors. Yes, it is a doctrine (teaching) of demons, just as Paul warned us that the devil would seduce many in our day, *“Now the Spirit speaks expressly, that in the latter times some shall depart from the faith giving heed to seducing spirits, and doctrines (teachings) of devils; speaking lies in hypocrisy; having their conscience seared with a hot iron.” 1Timothy 4:1-2.* Why does the devil seduce preachers, pastors in particular, to herald false teachings about tithing being a commandment of God that you must obey for the New Testament follower of Jesus Christ? Because when they do not have enough money or followers to give their money to ‘their’ ministry, the trap is set to destroy any pure motives they may have had, seducing them to crave and worship mammon (money) instead of God. Their ministry is no longer about souls, it is no longer about setting captives free from sin and bondage, it is all about maintaining ‘their ministry’ they claim needs money to reach the nations, the globe, and for some, the international market. Never mind the facts of the matter, Jesus sent his disciples out with no money. In fact, he ‘commanded’ them not to take any money with them as they went forth to preach the gospel. “And commanded them that they should take nothing for their journey, save a staff only; no scrip, no bread, no money in their purse, Mark 6:8” Listen to this very carefully from Jesus words, “And he said unto them, When I sent you without purse and scrip and shoes, lacked you anything? And they said Nothing. Luke 22:35” These men were apostles of Christ. Apostle means ‘sent messengers.’ They were sent out by Jesus without the internet, Facebook, Twitter or any financial “partnerships” whatsoever. They had no money, nor did they pay Jesus any tithes!

Now follow me very closely here, a real apostle is a missionary to foreign parts of the world preaching the good news of Jesus Christ, HIS BOAST IS NOT HIS CALLING, it is Jesus Christ. These are they who are being killed in many foreign countries that we are seeing in our headline news, NOT the countless pseudo ‘apostles’ that have come forth in droves, self -appointed in America, constantly attempting to recruit any and everyone they can to come “under their authority” and will boast how many so-called churches they have “under” them. These are they who promote denominations and factions in the Body of Christ, extolling themselves as the ‘chief apostle’ or ‘overseer’ over their followers; legends in their own minds, law givers in opposition with the words of Paul the apostle who clearly shunned any unwarranted praises of men or allegiance to himself, “Now this I say, that everyone of you saith, I am of Paul; and I of a Apollos; and I of Cephas; and I of Christ. Is Christ divided? Was Paul crucified for you? Or were you baptized in the name of Paul, 1Corinthians 1:12-13” In other words, Paul was all about glorifying Jesus Christ. Not a pastor, denomination or the law.

These are they who attempt to solicit 10% of the income of preachers’ they do have “under” them. Some will even charge membership fees to be a part of their network. These are they who have wrought fear in the minds of innocent people who want to be connected to the Body of Christ to worship God, not them! Countless sincere followers of Christ seeking fellowship with other believers are being harassed, bullied and placed under mental distress with the law of tithing. I have a Word from God for each and every one of you....**REPENT!** Why? You are hurting HIS people, they are not yours, they are HIS! **Stop the witchcraft!** Whom the Son has set FREE, we are FREE INDEED! The law cannot justify, nor redeem a ‘sin sick’ soul, Jesus the Christ alone! Word of wisdom to all teaching this false doctrine and tradition....stand down my brothers and

sisters in the harvest....stand down! God will judge you for this evil, and evil it is indeed.

Warning! If you attend a ‘mega’ church in particular....get ready! If you do not ask the Holy Spirit to help you go through the Old and New Testament Scriptures for yourself on this topic of tithing, and you go to them first after reading this book, they are going to tell you EXACTLY what they have been telling you, a lie! *Don’t do it my Friend!* Go to God with a pure heart.

Seek Him. You are NOT a dumb ‘sheep’ without a shepherd as many predatory preachers want you to believe they are your life line to God, but understand and know ~ Jesus is Alive! If you have repented from your sins and you sincerely seek to follow Jesus, you have his anointing. This is what the deceivers do not want you to know. They want you to submit to them and make you believe you need them more than the savior of your soul.

They want you to feel your life depends on “their church,” their ‘anointing,’ their blessings and your payment of 10% of your income....”*excuse me for a moment...You fake apostles and bishops, SHUT IT UP ALREADY!*” Your pride and arrogance is a stench, AND your false demonic teachings are too! *Wake Up!* Repent or you’re going to perish! *“For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ, 2Corinthians 11:13.* Remember, they run in packs, just like wolves inviting one another to their churches to harass the people about their giving during certain times of the year when giving decreases and will tell their followers how necessary it is for everyone to have a church home....theirs of course. Why is this exhortation so pervasive in Christendom, because the predatory preacher cannot remain in business if you take his or her monies somewhere else? This church membership dogma is all about the Benjamin’s! Make no mistake about it my friend, if these same preachers would preach against sinning against God the same as they demand you to stay put and do not “church hop,” our nation would not be experiencing the blatant disregard for life as murder and

violence are at all time highs. Why? No reverence for God! Why? The majority of preachers do not know him, nor do they respect him. God has preachers and so does Satan, they do not talk about sin or hell, they take no risk in offending their followers, why? The Benjamin's!

Personally, I have witnessed countless lives shattered by these imposters that have taken over our Nation along with countless so called "bishops" who harass congregations about "paying tithes" the same as the fake 'apostles.' They are arrogant in all points, and for many, behind closed doors they are tormented by demons sent by God - yes, sent by God just like king Saul who God allowed to continue his position in front of the people as king, *"But the Spirit of the Lord departed from Saul, and an evil spirit from the Lord troubled him, 1Samuel 16:14"* God was done with Saul, the same as he is our modern day fake preachers who have harmed his people swindling them out of their monies with this false doctrine of tithing. God told the prophet Samuel who anointed Saul as king, to stop mourning over Saul, because God had rejected him, 1Samuel 15:26. God rejected Saul and then sent demons to torment him. There was no mercy for him, God was done!!! And so it is the same for many mainline fake bishops, pastors and apostles who have continuously refused to do what he has told them, and God did not tell any New Testament follower of his Son Jesus Christ, to preach the law, he tells us to preach Christ Jesus and him crucified!

If false teachers would preach The Cross of Jesus Christ as much as they preach tithing, our loved ones would want to come to church seeking salvation from their sin and bondages. They are not impressed by evil spirits they easily discern in most preachers in churches because they need deliverance from their demons the same as they identify in the fake preachers multitudes are worshipping. This is why they will not come and visit church, you think they are 'picking on' your pastor, no my friend, they are trying to help you to wake up and call a

‘spade a spade’ and be set free to serve the real Jesus Christ of Nazareth. He is alive and well. He is a champion over sin, death and the grave ~ there is NONE like him, all else are wanna be’s that shall be eternally cut off for prostituting and fleecing his follower’s and stealing God the Father’s glory.

Any preacher that openly tells an audience he or she has had a ‘nervous breakdown’ and they wanted to ‘commit suicide’ has been rejected by God. Make no mistake about it; they have been turned over to themselves. They have manipulated and destroyed countless lives, lying on God without any remorse or trepidation whatsoever. They outwardly appear successful and some can be the kindest people on the planet that we will often boast are great people, but God has ‘scanned’ their true self and motives within the secret chambers of their hearts. They are imposters claiming they know the Prince of Peace, yet they have no peace behind closed doors. God has rejected them for using Jesus Christ as a means to gain riches, success and recognition by using the law to curse his people. They are blind guides, set in their ways, stubborn, spiritual brown noser’s. *God have mercy on all souls that have done this evil. God have mercy!*

If you know any of whom I have just described, be assured, they are enemies of God taking anti-depressant drugs to function day- in- and day-out. This, my friend is witchcraft! Any mood or mind altering drug is forbidden by God. It controls the psyche, your psyche is your soul. God is supposed to be in control of the soul a preacher and all who have been forgiven of their sins through the shed blood of Jesus Christ. You cannot cure a sin sick soul with manufactured drugs. You cannot! Humanism is poison when it comes to tampering with the soul of man. Jesus Christ is the only one that has been authorized by God to provide remedy for a tormented and or distress soul (psyche), “*Come unto me all of you that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and you shall find rest for your souls. Matthew 11:28-29.*” Mortals did not manufacture the soul, anyone that tampers with it are all

unauthorized dealers! Pushing dope instead of hope in Christ Jesus, who wipes away the sins of the world, thus we have an epidemic on our hands as countless lives succumb to self destruction and ruin because humanism cannot provide a day of Sabbath (rest) for the sinner. Only Jesus Christ! Remember, Jesus is Lord of the Sabbath, Luke 6:5. Where he is, the soul has found rest. Every day is a Sabbath day! Glory to God forevermore! Know Jesus find rest, no Jesus, no rest. The soul shall remain in constant toil, turmoil and attempts to appease God through the law and religious ceremonies and traditions. You become consumed with 'works' rather than heartfelt worship and adoration for his grace and mercy that has set you free to love him and receive his love and forgiveness through Christ Jesus.

There is no difference between taking psychotic drugs and smoking crack cocaine except one gets you high legally prescribed by mortal physicians and the other is forbidden as street drugs. How is it possible for any preacher to claim they know God and work for God, yet they are indulging in humanistic, psychotic remedies to find rest for their souls? How?

There are those who will tell everyone the devil attacked them, insinuating they are so great and anointed, that Satan has a special interest in their lives, nonetheless blinded by their own self-importance, greed, lust for power and control. These are they that have brainwashed weak men and women to fear them because they are 'God's anointed' and will tell their followers, 'touch not God's anointed.' They do not want to be inspected, nor challenged in their ungodly behaviors and teachings. Question? How is it possible for them to be so anointed, yet they are literally losing their minds (soul)?" The anointing is for deliverance. The anointing is God himself. They are mentally tormented, but their 'anointing' has no power to set them free?

No, because the anointing of demons is torment and if God sends it, you're done! There is no more praying for them as was no more for Saul. God told the prophet Samuel to stop mourning over Saul, because God had moved on to find himself a worshipper named David to be king to replace king Saul, the rebel. But, God allowed Saul to remain as he was, performing as king with no anointing. 1Samuel 16. And so it is for most pastors in America, God is Gone! How do you know who they are? They teach adherence to the Law of Moses ~ tithing. They are cursed, teaching the curse. God is not with them. All that glitters is not gold.

God is not glorified in mental illness and torment. Without sincere examination of one's own heart, and motives, that person is bound for destruction and deception. To thyself you must be true! The Holy Spirit is not a tormentor!!!! My friend, you should question any preacher who is constantly depressed and downcast, he or she is likely an imposter. Where the spirit of the Lord is, there is power! Where his spirit is there is unending faith, hope and joy! Make no mistake about it, God is a keeper. But when one chooses to marinate their relationship through the law, you are on your own. *For as many as are the works of the law are under the curse; for it is written, Cursed is every one that continues not in all things which are written in the book of the law to do them...Galatians 3:13.*

If you are struggling with mental torment privately, remember king Saul, God sent an evil spirit to torment him because of his constant rebellion as leader over his people, Story told in 1Samuel 16:14, "But the Spirit of the LORD departed from Saul, and an evil spirit from the LORD troubled him." Mental torment is a clear indicator you are out of fellowship with God, and for some, they have already been rejected by him and turned over to their own lusts, and the pride of life and for many emulating the seemingly success of other pastors, this is envy, it has caused their hearts to grow cold and resist all attempts by God to redeem them

back. Tithing drives these lusts instigating manipulation of the Scriptures.

There are countless very popular so called bishops, presiding prelates, apostles, prophetess and the like who have openly confessed they have lost their minds, resorting to taking mind altering drugs to find relief because they are being tormented by demons just as king Saul. The heart is deceitful and desperately wicked, who can know it...no one but God. 70% of pastors in America suffer depression, but what about the kingdom of God we are suppose to be preaching about that Paul told us clearly was righteousness, peace and joy in the Holy Ghost Romans 14:17

Jesus is all, in all and is the only way to eternal life. His sacrifice was complete; it is God's grace, unmerited. It is Free! To instruct anyone to add any other 'law' to appease God is deception. Jesus is enough! He is marvelous to save and redeem. He longs to meet you, refresh you and teach you "his" ways....

"Come unto me all of you that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and you shall find rest for your souls. Matthew 11:28-29. The only mentor you need is Jesus Christ! Not a preacher!!!!!! Not an apostle or prophet, it has

got to be Jesus! Anything you want to know about real ministry, follow Jesus footsteps in the four gospels of Matthew, Mark, Luke and John. FOLLOW JESUS! Any so called

“Christian church” gathering that does not center around the teachings of Jesus death, burial, resurrection and freedom from the Law of Moses has not been sanctioned by him. Any church that is centered around a “bishop” and their denomination does not belong to God. Jesus is not Lord, they are! Get your wallet, checkbook, purse and run for your spiritual life! Don’t forget to bring someone out with you!!

Promoting a denomination, creeds and the person appointed as ‘head’ of the organization as if they are a messiah of some sort is devilish and is in direct opposition with Paul the apostles exhortation, *“There should be no schism in the body; but that the members should have the care one for another, 1Corinthians 12:25.”* All denominations are against Christ. Without fail, they demand membership to acquire any of their assistance or resources. This is also applicable to the false teaching and dogma concerning ‘church membership.’ If you are not a member of the preacher who promote this ‘law,’ you cannot partake of their resources. This my friend is cultic. It is anti-Christ. What good is membership at a church where you fellowship with mortal men and you have no citizenship in the kingdom of God? Jesus promoted citizenship NOT church membership. Promoting ‘church membership’ is divisive rooted in selfish ambition that fuels the dogma of tithing.

My friend you must examine yourself to be sure you are in the faith, not a member of a church organization. “Examine yourselves, whether you be in the faith; prove your own selves. Know ye not your own selves how that Jesus Christ is in you, except ye be reprobates?” 2Corinthians 13:5

Fake Bishops and Elders

Now we must take a look at this other epidemic of fake bishops and elders who are standing behind the false doctrine of tithing using the Law of Moses. The words ‘bishop’ and ‘elder’ are NOT titles of authority, but rather a description that simply denotes age and experience. Nonetheless, many mainline denominations have perverted these words to insinuate the person has authority over others churches and ministers of Christ.

This is the precise reason they harass their followers they must become a member of a church, why? Organization assists them in controlling the money. These are they that attempt to curse followers of Jesus Christ who do not want to submit to them as their “covering.” They scoff at those who tell them Jesus is their covering. They despise those who are mature and free in Christ Jesus, why? They are legends in their own minds and like Satan, they want worship and the Benjamin’s, Hamilton’s and your Washington’s too! They are money grubbers.

They will boast constantly how many churches they have “under them” as they demand a report of all the people that have joined their churches, how much has been given in tithes and offerings as they seek ‘dues’ from the pastors who submit to them. These are they who promise young ministers they will ordain them and set them up just like the so called pseudo apostles we have already discussed.

The word ‘elder’ and ‘bishop’ were used interchangeably during the time of Jesus Christ and the early church. The meaning was the same in most cases. The two words were usually in reference to “older” men that sat in the synagogue to help ‘oversee’ the functions of the meeting in the times of Christ and our early forefathers in the faith who went from house to house, *“and they continuing daily with one accord in the temple, and*

breaking bread from house to house, did eat their meat with gladness and singleness of heart. Acts 2:46”

An elder is not a thirty year old. An elder is not a 40 year old. An elder is an older person, the word elder is a derivative of the word E L D E R L Y. An elder is over 65 years old. Predatory preachers will give young ministers this pseudo title to manipulate them into thinking they have some sort of authority in their fellowships over the people. Its witchcraft...how so? The young minister begins to depend on the so called bishop or pastor for their ordination to preach the gospel of Jesus Christ and oftentimes will endure abuse and all manner of false doctrines because they want recognition. They develop an ungodly soul tie to “their bishop” as many so affectionately will call them, because they have been given false authority and recognition from a mortal instead of Jesus Christ. Usually these young ministers are in their late twenties and early thirties. The men who place these pseudo positions on them force payment of tithes and offerings proposing they must lead by example.

The word bishop also means elder, or elderly person, it denotes wisdom and experience. Now follow me very closely here, this fake position of authority is pursued by many. How is it possible for a bishop (elderly person) to usurp authority over

God’s appointed ministry gifts through Jesus Christ? How is it possible for someone to “oversee” another church fellowship when he cannot see? The meaning of a real overseer is sight. How can one be a bishop or overseer over churches that he spends absolutely no time with? Therefore, he “SEES” nothing~ But the Benjamin’s! Money, money, money! That is why they harass their followers to become a member of their networks and denominations. They can ‘see’ the computer print out every month of “their” tithers who have been brainwashed and cursed by them to come under ‘their’ authority.

The office of a bishop that is being promoted in America as one of authority over churches and denominations; is not part of the

ministry gifts that Jesus gave in Ephesians Chapter 4 for the perfecting of the saints. He gave some to be apostles, prophets, evangelists, pastors and teachers; these offices cannot be appointed by man, though many covet and desire them, they cannot have these offices as in the case of a bishop (overseer of a fellowship). Why is the very important to note? When Paul wrote his pastoral letters to Timothy, he said that if a man *desires* the office of a bishop, he meant anyone with a desire! As long as they fit the requirements that he gave to Timothy, that man with his desire could be a bishop, or an overseer of their fellowship. The older men (bishops) were literally overseers, supervisors of the churches they “physically” communed with other followers of Jesus Christ teachings through Paul.

As the early church was being established, there were no “pastors” who were rooted and grounded in Christ that could ‘oversee’ the churches as the ‘elder’ or ‘bishops’ could do at the time. They had more experience in life. They were mature. They were older and wiser men that “supervised” the early churches as the ministry gifts (preachers or ministers) of Jesus; apostles, prophets, evangelists, pastors and teachers were being set in the earth. These ministry gifts needed time to grow and mature into the knowledge and experience of Jesus Christ and his message from God the Father of all heaven and earth.

Why is this so very important for us to understand as it relates to this false teaching of tithing? Because NO so called bishop, especially anyone under the age of 65, has the authorization to claim God’s people as ‘his,’ nor does he have the right to attempt to usurp authority over delegated authority (apostles, prophets, evangelists, pastors and teachers) that have been called and anointed by Jesus for the perfecting of HIS people. These men and women are predators. They are organized

spiritual mafia ~ they will scandalize anyone that oppose their folly. The love of money is the root of all manner of evil. This my friend, is evil! All redeemed souls from hell's fire belong to Jesus Christ, why? He is the only man that has walked this planet without sin, died and rose from the dead for the sins of the entire world...to him and him alone, be all honor and glory forever!!

Listen to what Paul writes in 1Timothy 3:1-4 "If a man desires the office of bishop (supervisor or overseer of a house fellowship), he desires a good work. A bishop then must be blameless, the husband of one wife, vigilant, sober, of good behavior, given to hospitality, apt to teach; not given to wine, nor striker, not greedy for filthy lucre, but patient, not a brawler, not covetous; one that rules well his own house, having his children in subjection with all gravity."

A bishop or elder in the infancy stage of the early church simply was a supervisor of the group, not churches all over the place that he could boast how many were 'his.' A bishop was 'in house' NOT out of the house. Let me say that again, elders and bishops were in the house, NOT out of the house. Brothers and sisters in Christ we have been deceived in many denominations that have taken the function of a fellowship supervisor and turned it into a position of "pseudo authority" over God's people and Christ delegated authority.

What shall we say to these things? All preachers under the age of 65 take this false title of authority off! All young ministers refuse to allow anyone to place the pseudo title of 'elder' or 'bishop' on you. If you have done these things, repent and do your first works over. Ask God to destroy the 'soul tie' you have developed to whoever placed these fake titles on you. And then withdraw your debit and credit card number from their 'direct pay' set up on their website and hit the harvest fields for

Christ with joy and freedom! Hallelujah! For whom the Son sets free, you are free indeed!!!

God hates pride and more importantly than this fact, He will not allow anyone to usurp his only begotten Son's authority, for Jesus Christ is "The Bishop" of Souls (that is with a capital "B"), *"For you were as sheep going astray; but are now returned unto the she Shepherd and Bishop of your souls, 1 Peter 2:25."* Jesus is the overseer, supervisor, and superintendant of his 'global' church (called out ones). God sees all and knows all! Glory to God Forevermore!

Why is it important you are liberated from serving fake bishops and pastors who promote the false teaching of tithing which is part of the law of Moses? *For as many as are the works of the law are under the curse; for it is written, Cursed is every one that continues not in all things which are written in the book of the law to do them...Galatians 3:13* You cannot keep the other parts of the 612 laws and this is how predatory preachers rise and exist. They need money! Money keeps them in business. This is why God wants you to be set free to allow 'their' false churches to crumble and thus protect the generation to come.

The sole purpose of this book by the will and inspiration of God, is to set at liberty every heart that cries for the truth, for it shall make you free AND your money too! *"Christ has redeemed us from the law, being made a curse for us: for it is written, Cursed is every one that hangs on a tree; that the blessing of Abraham might come on the Gentiles (non Jews – that's you and me) through Jesus Christ; that we might receive the promise of the Spirit through faith, Galatians 3:13-14."*

Christian fellowship is for fellowship! Nothing more, nothing less! Away with bullying God's people with the curse of the law, *"But the anointing which ye have received of him abides in you, and you need not that any man teach you: but as the same*

anointing teaches you of all things, and is truth,, and is not lie, and even as it has taught you, you shall abide in him. 1John 2:27.

Alright now, hang in there with me, we have to continue to root out and tear down the predators money scam. Come on soldier, let's keep moving. I have to share something with you....

Oh' No! Not My Pastor!

Over 17 years ago, I was a faithful tither as a relatively new convert of Jesus Christ, but I was also a faithful student of the Word of God in private. The Holy Spirit gave me a love for the Scriptures and worship. I had no problem with tithing; it was a joy to give to my local church at the time. I was a new follower of Jesus Christ, zealous and eager to fellowship with other Christians. I was in love with Jesus and so grateful my sins were forgiven. I wanted to travel the world and tell everyone about him. Giving my money, time and talents was no struggle for me whatsoever; it still remains the same 27 years later. I love to give. I believe it is the spiritual DNA of a spirit filled follower of Jesus Christ to the glory of God the Father. However, tithing was taught to me by man. I had never studied the Scriptures for myself concerning tithing or the law for that matter.

I was taught the most common scriptures false teachers are teaching the masses in every mainline denomination. I took it for what it was, everyone else was doing it. But the Holy Spirit began to reveal the purpose of the law to me in my private time of devotion and study. I knew tithing was part of the law and I was giving thousands of dollars to my local church until I became a volunteer in the church office and began to witness the amount of people the pastor and leadership refused to help in their financial distress. We had hundreds of thousands of dollars in our church bank account. Hundreds of members and the church was growing rapidly. Some of the people denied financial assistance were faithful “tithers.”

My private times of worship and studying with the Holy Spirit during this time ‘led’ me to begin studying ceremonial, moral and civil laws God gave to Moses for the children of Israel supplementing the Ten Commandments.

I immediately began to question the motives of my pastor in light of his weekly exhortations on tithing and offerings. I was a leader in my church, I worked our Altar Ministry. I was a cell group leader teaching the bible study at the home of my pastor's mother and fathers' home. All the bible studies were pre planned and typed up for us as our guide. I loved my church! I was mentored personally by my pastor along with others at his home every Monday night. I thought my pastor was the best; he was a phenomenal leader so I thought, *but I was wrong*.

The Holy Spirit began to reveal his heart to me; his true self underneath all the church organization, leadership skills and sermons....he was a wolf in sheep's clothing!

Our church was meeting in a high school auditorium nestled in one of the most beautiful and affluent suburbs in our region. The majority of the members were well off financially from that community. We did not have many 'poor' people in our church, nor did we have any outreach to the poor. As we began to grow, more inner city families began to join the church and they had financial needs. My pastor cared nothing about the lives of these people. He began to refer them to public service agencies for money, food and relief. But, this he was 'hands down,' a great speaker; funny, made the Bible very relevant and interesting. This was the seduction of me and many others who came to this church to learn of our Lord and Savior Jesus Christ.

As the church continued to grow he began counting the people, bragging on the growth of the church and slowly but surely, he began to shorten his sermons and stop the worship team from playing to long with worship music to God, that was always a one of the best parts of our time of fellowship. You could not wait to get to the worship part of the service on Sunday morning as the musicians skillfully worshipped God on their instruments, it was awesome! The pastor would soon begin to drive a new

Lexus, and purchase a new home in another neighboring exclusive suburb to the high school where our church assembled for fellowship. Keep in mind, most of our church congregants were affluent “business” people, and my pastor would soon prove to be just the same...a business man using ministry to build, control and maintain his life through the Gospel of Jesus Christ and the law of tithing.

After I began working in the church office as a volunteer, immediately I began to be approached personally by people in the church that needed financial assistance. One was a family that was tithers and fell on hard times. I asked them if they talked to the pastor, they said yes, he referred them to United Way for assistance. The second was a man who just started visiting our church. His life was in much turmoil. He was homeless, but he had a car and needed money to pay for his car note so that he would not lose his job that required transportation. This man was not a scammer, other people knew him, and were excited he began coming to church. I asked him the same thing, did he speak with our pastor, he said yes and was told that he was not a member of our church and was instructed to begin attending one of our ‘cell’ groups to show himself faithful and take new members class. I could not believe it.

Now follow me very closely here, I was already completing my studies of the law and was toying with the doctrine of tithing. I could not justify in my own heart, that I had the money to help these people but, I was indoctrinated and bound by the law I was taught by man, leading me to believe I would be under a curse if I did not pay my tithes. I did not make lots of money, but I earned good money and I could have easily assisted these families with my tithes and offerings I was giving faithfully and cheerfully each week to the church.

The Holy Spirit was troubling my heart that it was time for me to leave this church. The man that I looked up to as “my pastor” was an enemy of Jesus Christ. I cried, I bemoaned the speaking of the Lord to my heart about my pastor. I lamented. However, I began to withhold my tithes and offerings still waiting on God. This went on for several weeks, during that time as I listened to the pastor; his voice began to vex me. God had opened my eyes to see him as he was; an imposter. He was a pulpit predator using in particular, the teaching of tithes and offerings to build himself a kingdom disregarding the needs of the people.

Finally, I was approached by a sister in Christ who was also a tither and faithful member. She was there when I began to attend that church. She was from another country. Her mother had died and she had no money to travel and bury her. She was so broken when she spoke to me about her situation. I asked her had she shared with the pastor her need for money to travel. She said yes, he told her no, the churches money was not for that. The Spirit of God immediately told me to give her what she needed from the monies I had been saving from paying tithes and offerings along with other savings. That same week another Sister had a financial crisis from another church, she was a friend of mine, the Spirit of God told me to give her the rest of the monies I had been holding from giving to the church. From that day, I never went back to the church, nor did I resign any of my positions. It was as if the Spirit of God said, “Run and don’t look back!”

After my departure God would begin to fill my heart with joy and peace in my new found freedom from the law – tithing. I began to seek people who needed financial blessings and would give cheerfully and freely as the Spirit of God directed me to other ministries. There has been NO CURSE on my life! My relationship with God is stronger than ever, He fills me with joy, faith and hope in all of my tests, trials and tribulations. He has filled my heart with love for life and people, God has been

faithful! These situations happened over 17 years ago. It is now that God has commissioned me to write this book to cry aloud and spare nothing to help his people. Predators are very good at their deceit. That is the precise reason we call them predators. Tithing is one of several doctrines they prescribe to God as the reason you must do it. My Friend, God has nothing to do with it, nothing!

Now follow me very closely here; Jesus Christ has died for the entire world. Billions of people confess to be followers of Christ; there was only one Temple of worship at the time Malachi prophesied to Israel about robbing God, we have thousands of churches (temples) in some cities alone, a church is on every corner, they are everywhere! Who shall determine which 'temple' or 'church' is of God and worthy of your ten percent? I will tell you, no one. There is no legislation or laws to govern the opening of a 'so called' church in America. This is precisely the reason 'church planting' has become big business for countless so called 'apostles' and 'bishops' who are imposters taught by one another, promoting the tithe and membership of their organizations and churches.

Money is the devil's weapon of mass destruction in the hands of the unconstrained and ambitious. It has latent power. It is a tempter of the best intentions. This is why Jesus did not want his disciples to take it with them, but rather rely on their faith in God the Father to care for them as they labored for him.

Don't let the false teacher's trick you. Jesus was born in feeding trough where animals were fed. Jesus was born into poverty. Nevertheless, Jesus fulfilled his purpose in the earth void any boasting of his 'spiritual covering,' who was his 'apostle,' or where he paid his tithes. Money does NOT spread the Gospel of Jesus Christ, preachers do! Everywhere we go, just like Jesus' disciples did, void of any fear tactics of Jesus to take their money from them in the Name of God. Let us be clear and

understand: All New Testament followers of Jesus Christ are free from the Law of Moses; tithing (giving 10% of your income or as it were in the Scriptures, crops, grains ect.) is no longer required. The Scriptures are clear:

"For Christ is the end of the law for righteousness to everyone that believes, Romans 10:4. "For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all, James 2:10.

Titling is of the law, if you do any part, you must do all!

Real Christians ***are*** givers! We do not need to be pumped up, harassed or manipulated to give our money, time or talents by any law. We are just like our Heavenly Father who gave his only begotten Son for the sins of the world. We give because God is a giver, the fruit does not fall far from the tree. We give cheerfully, willingly and without expecting anything in return..... "Every man according as he purposes in his heart, so let him give; not grudgingly, or of necessity; for God loves a cheerful giver. And God is able to make all grace abound toward you, 2Corinthians 9:7-8."

By no means whatsoever, am I suggesting that Christians should not give, especially to a man or woman who speaks truth into your life to prepare you for eternity, but I am suggesting that in Christ, it is no longer necessary or commanded by God for anyone to give 10% of their income to God, but rather your entire life! He that has an ear to hear, let him hear what the Spirit of God is saying to the church of America.

People who are most vulnerable to this false doctrine are:

1. Those who have grown up in 'the church' and taught this tradition since they were children.
2. Those practicing willful sin and want to 'feel' they can bribe God with their monies to feel they are okay.
3. Young ministers who do not seek communion with the Holy Spirit to teach them the ministry of Jesus Christ instead allow men to teach them without inspection.
4. Preachers who have been living off the people and do not want to lose their material possessions.
5. Those who have experienced rejection and have yet to be healed by God, they seek to be a part of an organization to except them rather than God.
6. Lack of discipline to study the life of Jesus Christ and his purpose for dying for the sins of the world.
7. Those who do not understand living by faith in Jesus Christ but rather rules, laws and commandments of men.

MONEY HUNGRY
Preachers will always teach
tithing as a commandment
of God, always!

Shut It Down!

The heart is deceitful above all things, and desperately wicked, who can know it, Jeremiah 17:9. Some pastors know tithing is not required of followers of Jesus Christ. Yet they refuse to cease teaching it because they do not want to give up their lifestyles, buildings and other investments. Nonetheless, if you're a pastor reading this book, rest assured, you are going to lose it anyway, it is appointed unto man once to die and then the judgment, Hebrews 9:27. You will give an account for prostituting God's people. It is better to give up your 'ill gotten' material now and fall on the rock, or be assured; the rock is going to fall on you! Who is the rock? Jesus Christ! The same one who has set us free from the law that you have bound on the necks of countless innocent people. *Let God be true and every man a liar!* As surely as the Lord lives, you will be held accountable for this evil. *"For God has not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, 1Thessalonians 5:9.* Preaching adherence to the Old Testament laws brings a curse, the curse brings the wrath of God. How so? It encourages pride and self-righteousness. And worse than these, it makes Jesus sufferings and death of no relevance. If the law could redeem us, then there was no need for Jesus to die for our sins.

Mental illness is rampant in America in the churches of America. Why? Multitudes are under the curse of the law of tithing as they do not keep the other 612 laws. "People who want to get rich fall into temptation and a trap and into many foolish and harmful desires that plunge men into ruin and destruction. For the love of money is a root of all kinds of evil. Some people, eager for money, have wandered from the faith and pierced themselves with many griefs. *1Timothy 6:3-10.*

What Paul the apostle has told us in this text, is the very reason preachers are committing suicide, taking anti-depressant drugs because they are mentally tormented privately, dying of drug overdoses, having nervous break-downs.....why? They have pierced themselves with this false doctrine concerning tithing. It is an open portal to all types of evil that must be shut down in order to recover your rightful position in Jesus Christ if you ever had one in the first place.

My dear friend, listen and understand; *God is not desperate!* He only saved a family of 8 people, Noah and his family. God is not impressed about any 10,000 member church. He will send the soul that continues to sin against him and refuse to believe in his son Jesus Christ straight to hell. Jesus is our only way out. The law will NEVER justify us, Why? **Jesus paid it all!** He Lives! He is peace, not torment. Where his spirit lives there is victory, not death and self-destruction. *He Lives!* God is able to keep what has been committed to him; the soul must remain under his control, not lusting for power, success and recognition from apostles, bishops and pastors who cannot forgive sin against God. This is why tithing is destroying those who keep using it especially to place others in subjection to their ambitions. Jesus fulfilled the law! Preachers, if you want to be saved from God's judgment, you must shut it down and repent. The letter kills but the Spirit gives life! Get off the law and preach Jesus Christ and him Crucified! Joy and peace is our inheritance. Jesus came to break the curse of sin, death and the grave. Come on preachers, let it go! The anointing destroys the yoke of bondage, examine your life. Joy is a fruit of the Spirit of God; it is opposite depression. What spirit is depression from? Satan. Do you work for him? Then you should not be downtrodden by his spirit. Come On! Get up soldier and shake yourself, WAKE UP!!!

Howbeit "the curse" preachers claim the tithers will incur if they do not pay their tithes, they are under themselves full of

darkness, confusion, depression, doom and gloom, why? They are lying on God, taking their follower's money in his name disregarding the work of the Cross of Jesus Christ. The proof is in the facts, where God is, there is hope, joy and peace. To call it any other way excuses ones error. Jesus is Alive! He is the author and finisher of our faith, depression is not a fruit of his spirit. If God is God, then let Him be God! He is not depressed, confused or thinking about killing himself, neither should anyone be who is filled with the Holy Spirit through Jesus Christ. His spirit lives! The kingdom of God is in you, it is righteousness, peace and joy in the Holy Ghost, this is how you know you have been born again by the Spirit of God, Romans 14:7.

We need a reformation in the pulpits of America. The late Martin Luther, the reformer who challenged the Roman Catholic Church disputing their practice of paying 'indulgences – money' to escape the punishment of God, is like and the same as this damnable tithing money scam. You cannot buy God's favor and blessings. This doctrine of tithing is like cancer, it is killing multitudes from the pulpit to the pew! Make no mistake about it, Jesus was the last sacrifice needed for all who will turn from their sin and be saved from God's wrath. IT'S FREE! IT'S A GIFT!

America's police departments are not the only reform needed in our nation, the pulpits in America need to be swept clean. How do we do it? **Stop tithing!!** If God is in it, he will provide the money to sustain it. If not, it will crumble. Why? He was not in it. Demanding tithes is abuse ~ spiritual embezzlement. It keeps predators in business. We need pastors and churches to fellowship, but we do not need false doctrine. Truth is like chemotherapy, it will touch the entire body to destroy the cancer cells that are harming your body. Only the cells that are healthy and strong will survive. The truth is the same; only those who are pure in heart shall remain in ministry as the years approach.

God is sending his 'serum' of truth to destroy the predators in droves. *Let the prophets arise!* You were born for such a time as this! Watchman, come off the wall and sound the trumpets in Zion! May God arise and his enemies be scattered to the glory of his dear Son, Jesus Christ.

There are those who will ask, how will the church maintain itself if there are no tithers? If sincere followers of Christ are in the fellowship, they will support the ministry as they should. If the preacher is hearing from God and led by his spirit, all that is done to expand and rebuild should be done the same way it was done when Moses built the Tabernacle for God after he led the people out of captivity, he simply asked them to bring silver, gold and all that was needed. The people brought so much that Moses had to tell them to stop, Exodus 30. When a preacher is commissioned by God to lead his people in the office of a pastor or teacher, he will provide prior to building anything that would incur debt. Why? Debt destroys the heart by filling it with fear and anxiety to pay what we don't have. It is here that countless pastors in particular have pierced themselves with many sorrows, refusing to stop lying and stealing from the people they lead with the doctrine of tithing. Tithers pay for their brick and mortar acquisitions that have become the source of their labor and pride. Materialism has choked them out. They cannot exist without your money, thus they want to believe the lie about tithing. They insist they are teaching it to 'bless' their follower's....no, they are teaching it to maintain 'their' ill-gotten materials such as houses, cars and land. They are apostate. *Run for your life!* And don't forget your checkbook!!!

Solomon built the first temple. He did not build without the provision first. There were no bankers needed. There should be none necessary today when we stick to the pattern....God brings the people first, then the provision comes through them FREELY! No gimmicks or twisting of the Scriptures to build anything in the Name of Jesus Christ. And so it is for this very

reason pastors are unable to cease teaching the law to those who have not been matured in Christ.

Many of our so called “mega” churches have grown, and the reason I say “so called” is because Moses had 2 million people he pastured, now that’s mega! Yet we are deceived into thinking that 20,000 church goers is miraculous, nonetheless, not because God has increased them at all, but rather because the pastors have succumb to the beckoning fear of failure of what they have built off Jesus Name illegally with the law, thus preaching their Sunday morning 20 minute “Snack Pack Sermonettes” refusing to preach about hell or sin, thus they are drawing the crowds who faithfully bring their tithes and offerings while living in blatant sin against God, unchallenged by the pastor accept their exhortation to keep bringing their tithes and building fund monies to build bigger and better, lest the people will be placed under a curse by God, and if one is faithful, God is going to open the windows of heaven and pour you out a blessing....Hmmm? I wonder how many billionaires in our nation have ever heard this exhortation before as their personal assets and annual revenues are mind boggling as many openly curse God and have built massive financial empires who are notorious for some being atheist. And yet, we have faithful tithers who are many, barely getting by and laden with mental illness and disease?

The predatory preacher who heralds this false doctrine will always have stories to tell how he or she was blessed because they are tithers. Remember, 10% of the income of 100 people is not bad for a weekly salary. They always have their little tricks in the bag to support their folly. Always!

Doesn’t matter who or how many force the curse of the law for tithing in our modern church world. God says to tell each and every one of you to REPENT! ***Leave his people alone!!*** Mega churches in America all have one thing in common, the doctrine

of tithing. This is how they build, this is how they maintain, this is why they will never tell you the truth and will want to kill messengers like myself who have been told by God to cry aloud and spare nothing to get you free from them to serve God in spirit and in truth.

Jesus was on a mission to set us free from the curse of sin and the law that was a schoolmaster as Paul told us. Adam's sin in the garden separated us from God. Our communion of the Spirit was lost, but Jesus Christ, the second Adam restored that relationship redeeming us from the law. *"But when the fullness of the time was come, God sent forth his Son made of a woman, made under the law, to redeem them that were under the law, that we might receive the adoption of sons, Galatians 4:4:6*

Son's of God are not bound by the law, we do not "pay" tithes! We are sons! We have been redeemed by Jesus Christ! "For as many as are led by the Spirit of God, they are the sons of God, Romans 8:14"

The Pharisees had no power. Instead they indulged the law and traditions, why? They were not sons of God. Sons must be Spirit filled to be led of God. Sons do not pay God to be a son or to receive his blessings, no more than a natural son pays his father to be his son and receive his new iPhone, new clothes or a trip to Chipotle for lunch, the father does it *just because*. It is grace, unmerited favor because you are his son. Come on Brethren...WAKE UP!!!!

Many pastors have been ordained by men, not by God. Never have we seen so many 'educated' preachers, seduced into the pride of life as they demand recognition, trapped in this damnable doctrine of demanding their followers to 'pay God.' What they are really saying is, "pay me," I am wonderful, educated and anointed. I am worthy of my hire. These are they that insist on wearing long flowing robes, white collars and gold chains to be seen of men. My brothers and sisters, you have

been deceived. Seek the Lord while he may be found. Jesus did not put on any ‘airs’ thus it behooves us to follow after him as a mentor, not mortals who are just as we are....sinful.

Adam was not a tither, nor was he subject to an apostle, prophet, evangelist, pastor or teacher constantly barking at him to submit to “their” authority and pay up that 10% every week.

Adam communed with God in spirit and in truth, *“God is a Spirit: and they that worship him must worship him in spirit and in truth, John 4:24.* Jesus told the religious traditionalist who wanted to kill him for having compassion for the lame man,

“My Father is always at his work to this very day, and I, too, am working. For this reason the Jews tried all the harder to kill him, not only was he breaking the Sabbath, but he was even calling God his own Father, making himself equal...,John 5:18.” Jesus clearly told them why he was not going to submit to the law... *God is always working!* Jesus was doing what God

wanted him to do, the same he desires for every spirit filled, born again follower of Jesus today ~ we shall do the same as our Lord and Savior ~ Work! Being led by the Holy Spirit as God wills, NOT man, who has NO power to save. Jesus needs workers to harvest the billions of people on the planet who can now have full access to the living God through his shed blood for the remission of their sin, through whom? YOU! How is it possible? You must be led by the Spirit of God. And where the spirit of the Lord is there is NO mental torment. Ask John the revelator of Jesus who was on the deserted island called Patmos, deserted because of his faith, nevertheless he was in the spirit on the Lord’s day when Jesus spoke to him, Revelation Chapter

One, and we cannot forget Paul who had been beaten on 5 separate occasions because of his ministry for Christ, yet we find him and Silas in prison praying and praising God, so much so that God himself sent an angel to release them from the jailers, why? Story told in Acts 16. These servants of Jesus Christ were not attempting to serve two masters. They were sold out to God. Where his spirit is there is no torment, instead love,

adoration, praise and thanksgiving from our heart to Him regardless of whatsoever state we find ourselves, we will give him praise, honor and glory....depression cannot live where praise, obedience and honor exists. It cannot! For this I remind us all of what the prophet Samuel told Saul who God rejected and tormented, “What is more pleasing to the Lord; your burnt offerings and sacrifices or your obedience to his voice?”
1Samuel 15:22”

Doesn't matter who or how many are teaching tithing as a commandment of God for this generation, it is anti-Christ! Without faith in God to sustain your ministry and your life, you will attempt to prostitute God's people for selfish gain and security with this old law and tradition.

I understand many will struggle with the before mentioned who have been indoctrinated (brainwashed) about tithing and convinced there is some “special” and “magical” blessings tied to tithing, this is the seduction of this doctrine, but Jesus is your reward for eternal life, not your works, nor any sacrifice you can ever offer up to God and boast. It is Jesus! Faith in Jesus Christ and grace is not the object of false teachers, it is money and how their followers can get some more to bring to them. Great motivators they are, but today, choose to be free! Let no one continue to beguile you, Get Ready! Listen to this:

“Christ has redeemed us from the curse of the law, being made a curse for us...Galatians 3:13”

My friend Be Free In the Name of Jesus Christ. All that I have presented to you is from the Holy Scriptures. These are not the Scriptures false teachers are going to expound, exegesis or exhort, why? It benefits them to keep you ignorant of the truth

of the matter. For whom the son has set free, you ARE free indeed, free from the law, sin and death! Glory to God forevermore!

Please take the time to study the entire Chapter of Galatians Chapter 3 for yourself . It will settle any further doubts you have concerning tithing and any other law concerning your standing with God. We are justified through faith in Jesus Christ, and him alone! Observance of the 613 Laws of Moses' nullifies his finished work on the cross for our sins, thus, anyone that attempts to undo Christ sufferings, you are under a curse.

Hang It All Up

Okay, as we bring this to an end, you ask the question, what should you do with your “tithing” money? Until you are positively sure the preacher you are following is sanctioned by God through Jesus Christ and consecrated to God, fix your heart and mind on helping others and getting more acquainted with the Holy Spirit to lead you. Giving is the secret weapon of life that many under estimate its innate power. Why? God is the ultimate giver, giving is His dominate characteristic. He, who gives much, loves much - Live to Give!! God WILL Be pleased! Give random acts of kindness to inspire your fellowman. Adopt a poor family in your nearest inner city. Go and pay your bills and catch up on your debt, instead of the predatory preacher’s with their 2 million dollar mansions they invite no one to find refuge in times of crisis, driving \$100,000 vehicles and will not give anyone a ride except for ‘their drivers’ who are driving them ‘to and fro’ spending your hard earned dollars on their shopping sprees at ‘high end’ retailers and Department stores. Any man or woman God sends has given up their lust for anything from this world. They dare live off the hog why countless people suffer daily in our Nation from lack of basic necessities. *God has not sent them!* All are imposters, ALL! A good shepherd lays down his entire life for those he or she has been called by God to lead in the name of his Son, Jesus Christ who gave a very clear summation of ALL the law of Moses (tithing) and the prophets before him (Malachi, who asked the question, “Will a man rob God,” This is what Jesus said about them both.....

NOW PLEASE LISTEN TO THIS VERY CAREFULLY, THIS IS YOUR COMPLETE DELIVERANCE FROM THE FALSE DOCTRINE OF TITHING:

“But when the Pharisees had heard that he had put the Sadducees to silence, they were gathered together. Then one of

them, which was a lawyer, asked him a question tempting him, and saying, Master, which is the great commandment in the law? Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.

This is the first great commandment.” And the second is like unto it, Thou shalt love thy neighbor as thyself. On these two commandments hang all the law and the prophets, Matthew 22:40

My friend there it is!!! Jesus is very clear here, he commands us to love God, people and ourselves ~ it is here that we fulfill all the law and the prophets! It is Love! If I love God with all my heart, mind, soul and strength, I will not commit adultery, I will not steal from my neighbor, nor bear false witness, I will not murder, I will find a time of rest to cease from my labor to worship and honor God, I will not murder, why? Love!

We must love as he did, speaking the truth to set captives free and loving them all equally with our resources without bias as God's Spirit leads us to labor for the harvesting of souls throughout all humanity. Simply stated, love transcends law, rules, and traditions. Jesus has set the bar very high, nonetheless, it is attainable. As we follow closely his ministry in the four Gospels of Matthew, Mark, Luke and John, we find he was constantly helping people fulfilling the law (commandment) of love; this is why the religious people hated Jesus and will hate anyone they cannot control with their false doctrines, case in point, the doctrine of tithing. They have no love and for many, their motivation for ministry is simply the rewards. These are they that will want to fight, threaten and scandalize messengers who have been commissioned by God to cry aloud against their trickery, deception and lies about God.

Let God Arise and ALL of His Enemies be scattered!

If you are a pastor reading this and you understand what clearly God has proclaimed, you must cry out for deliverance and

mercy from the curse on your life due to your false teachings of adherence to the Law of Moses. You must repent before your congregation and ask them for forgiveness. God will bless the heart that is contrite and sincere. Do your first works over, fall back in love with Jesus, not ministry....there is a difference.

God desires worshippers, not workers. As a result of sincere worship, we will work for our God to bring him glory led by His spirit. When we cease to feel his presence, we have gone astray. Torment of the soul is not from God except when he judges for rebellion. Where he lives, we have peace, joy and love for life and people. This is the fruit of a “blessed” life, not fleeting success and materialism. It is all vanity, vanity, *all* vanity! A chasing of the wind ~ you feel wind, but you cannot catch wind.

My friend, God bless you! Be wise and be free, and remember anyone that has been sent from God is here to help you ***‘get right, not get rich!’*** False teachers propose tithing is a means to riches. They are all liars. Paul the apostle of Jesus Christ said it best and I pray you will study these thoughts and hide them in your heart from henceforth to protect yourself from predatory preachers that Paul said were...

“Men of corrupt minds, and destitute of the truth, supposing that gain is godliness: from such withdraw thyself. But godliness with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out. And having food and raiment let us be therewith content. But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition. For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows. But thou, O man of God, flee these things; and follow after righteousness, faith love, patience, meekness. Fight the good fight of faith, lay hold on eternal life, whereunto thou art also

called, and hast professed a good profession before many witnesses. ITimothy 6

To God Be the Glory, forever and ever, Amen!

America!!! Do not continue to allow anyone to bewitch you! Do not give your money foolishly saying you're giving to "god" and whatever the preacher does with it is between them and God ~ that is foolish indeed! Why? The poor is beloved of God and they could use the money you are throwing at the howling predatory preachers. Instead you could be "lending" to God, "He that has pity on the poor lends to the Lord, Proverbs 19:17" Whosoever has an ear to hear, let him hear what the Spirit of God is saying to the Church of America.

My dear friend, let us consider the conclusion of the matter. Love God with all your heart, mind soul and strength, and your neighbor as yourself. Fellowship with other believers, support your fellowship financially as you purpose to give cheerfully, but refuse to allow anyone to control, manipulate or force you to pay them anything by way of the Law of Moses given to the sons of Aaron, the Levites. The New Testament follower is to give FREE WILL offerings!!!

He that loves much, gives much. *"For God so loved the world that he gave his only begotten Son, that whosoever believes in him should not perish, but have everlasting life. John 3:16.*

Have faith in no laws to save or justify you before a Holy God...it has got to be Jesus, his last words before he gave up his spirit sums up the entire matter...

"It Is Finished!"

Prayer of Deliverance from the curse of the Law and False Teachers:

Heavenly Father, I ask in the Name of Jesus Christ that you would set my soul free from fear and intimidation that I have received from being brainwashed to submit to the law of tithing. I denounce my allegiance to this false teaching and preachers who have attempted to control and use me for their own selfish gain. I ask for your forgiveness of my sins. I ask that you restore my trust in you to lead and guide me to be a blessing to my fellowman and to give my money as I purpose to give without fear.

I am Free! Thank You Heavenly Father in Jesus Name for setting me free from the law and my sins.

Amen!
