Written for the edification of the Body of Christ

## **SPECIAL NOTE:**

This book serves as a public service to sincere followers of Jesus Christ, who have tattoos on your body and you are struggling in your sanctification and mental health. God has inspired this writing to educate and empower you to understand the psychological affects marking the body can have on your spiritual and emotional health unaware.

Alright, get yourself a cup of tea and follow me so we can get some understanding...

Extermination Time!

# The Sneaky Idol

Never in the history of the United States of America have we seen such an explosion of people tattooing their bodies. This explosion of tattooing transcends gender, age, social status and religious beliefs of the people who indulge in this art form that has a direct connection to the staggering numbers of mental illnesses associated with masses of people who are church goers. Many of whom will not share with anyone they are mentally tormented and soul tied to people, places and things they do not realize is directly linked to the tattoo on their bodies.

If you or someone you know does have tattoos, I want to tell you up front, this book has not been written to condemn you, but to empower you to understand why you may be struggling in your search for God's peace if you do not understand the psychological and spiritual facts behind the mark or markings you have placed on your body.

We want to help you understand how this fad can potentially destroy you and bring you into a covenant with demon spirits and open your mind to self worship, idolizing your body and the mark you place on it, causing you to become an enemy of God as multitudes of people have become, lacking understanding of the serious matter of putting 'graffiti' on their physical house God has given to them to use during their time spent here on the earth.

The human body is an 'earth suite' made by God to house your spirit and soul until the day you die. *"Then the Lord God formed a man from the dust of the ground and breathed into his nostrils the breath of life, and the man became a living being. Genesis 2:7,* God is the landlord of the human body. He made it, he owns it, and just like a realty landlord we rent houses and apartments from, God has rules and stipulations just as they do. The Bible is like a 'lease agreement.' It clearly tells us not to mark the body. *"Do not cut your bodies for the dead or put tattoo marks on yourselves. I am the LORD, Leviticus 19:28."* Nonetheless, we can all likely admit we have seen some very amazing art work on the bodies of our friends, family members and strangers who proudly display their beautiful works of art on their bodies, most often in very provocative areas of their bodies that many will go through great lengths to make sure everyone sees their 'butterfly' on their naked breast cleavage. Or, for some men, they wear their muscle t-shirts to flaunt their snakes and dragons on their upper arms and shoulders.

Some women will wear spaghetti strapped, short mini dresses in the winter to make sure their "angel" on their upper thigh is observed and their 'Tweety Bird'

can be seen on their ankle in 4 inch heeled Stiletto's walking down the street to catch the bus. Despite the severely cold weather, they are compelled to showcase their markings to make sure you can see their ink anywhere from cartoon characters, action heroes, animals, birds, bugs, foreign languages and the like.

I cannot tell you the number of men I have seen wearing no socks and shorts in the winter to make sure you see their tattoos on their lower legs and calves. Have you ever seen the men who roll one leg up? *It is 20 degrees outside!*

Now here lies the seduction of tattoos, listen to me very closely...the behavior I have just described is self-worship; self-exaltation, self-expression and vanity. It is pride. The moment the person has placed a mark on their body, a portal is immediately opened over their soul (psyche or mind). There is an immediate awakening of self-gratification, and for some, they have made a covenant with Satan as they place dragons, snakes, skulls and other demonic imagery on their bodies, thus opening themselves up to being controlled by demon spirits.

The word tattoo originates from the Tahitian word tatau, which means "to mark." The mark will always bring you back to the influence that provoked you to place the tattoo on your body, your psyche is 'marked' literally like a bookmark that stands out. It will have dominance in your conscience mind. Remember, tattooing is from paganism, where false gods and Satan is worshipped. Therefore, it remains under the dominion of Satan. Whoever, no matter how cute or prolific the image you choose to mark on

your body, it places that individual under the dominion of darkness. *Ephesians 5:11* King James Version (KJV) <sup>11</sup> *And have no fellowship with the unfruitful works of darkness, but rather reprove them.*

Once the body is marked, instantly, it is all about that person and their new graven image on their own physical body, breaking the first commandment God gave Moses of the Ten Commandments, “*You shall have no other gods before me*, Exodus 20:3 and the Third Commandment, “*You shall not make for yourself a carved image* Exodus 20:4.” If not careful, your god becomes self, and the graven image inked on your body for others to worship and adore. This is idolatry. This is sin. What is sin? Missing the mark with God. Who is God? The creator, (landlord) of the physical house you have placed ‘graffiti’ on against his word and commandments.

You are now a living, moving and breathing ‘idol’ of worship to yourself and others who admire your graven images on your body. This is where mental illness can enter into the life of those who do not understand that whether you agree or understand it, you have just made yourself an enemy of God. How? You have put graffiti on his property! Galatians 5:20, “The acts of the flesh are obvious: sexual immorality, impurity and debauchery; **idolatry** and witchcraft; hatred, discord, jealousy, fits of rage, selfish ambition....” An idol can be a statue, false deity, hero, star/celebrity, pin-up poster etc. In this case, it is a tattoo.

When a person marks their own body, their purpose is to be seen and admired for the image on their body, their allegiance to another human being or, it is in

honor of a false deity they worship. Their tattoo is a literal 'pin up' or 'poster' on their body for adoration; the same as a 'pin up' poster on the wall of a teenager showcasing their favorite 'idols.' There is absolutely no difference except the teen-ager can eventually grow up and out of their juvenile mentality and take the post down. However, once one inks their body, it is not easy to remove from your body.

Some people will claim they did not get their tattoos for others to see, they claim they got their tattoos just for themselves, because they liked it. However, the

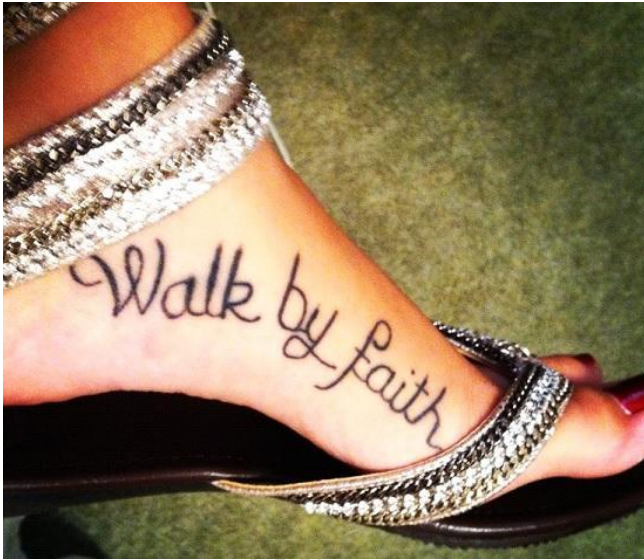

image is already their idol, that is why the person has permanently attached it to their body to constantly be reminded of their idol, this would include so called 'Christian' tattoo's and scriptures people are also marking on their bodies claiming it is in honor of God and their faith; depictions of Christ, crosses, doves, bibles and the like carved on multitudes of people. However, no matter how beautiful the design

or how sincere the gesture, they are in violation of God's "lease agreement" the Holy Scriptures are clear.... *"Do not cut your bodies for the dead or put tattoo marks on yourselves. I am the LORD, Leviticus 19:28."*

What is very interesting for us to note is that a person can deceive themselves into thinking they really love God and their religious tattoo is their way of honoring him, but in reality, it is mockery and deception. Why? The primary reason for tattooing is self expression via the image placed on the body for worship, adoration, attention and awe. Who is the attention being drawn too, the person with the religious tattoo? The same is true for droves of women who showcase their bodies in sexual, provocative, tight fitting attire that has become normal in our culture and in Christian churches. However, America is the third largest Christian confessing nation in the entire world. Yet there is no instruction about the dangers of marking the body in most churches. However, let no one deceive you, there is no such thing as a "Christian" tattoo parlor or "Christian Tattoo." The greatest testimony for Christ is your testimony, not a tattoo. Jesus commissioned

his disciples to go and preach the Gospel, not paint it on their ... body with images and words, that in many cases, some people will use their religious tattoos to seduce and manipulate others to believe they have a relationship with God, however, the god they are parading on their body is a pseudo (fake) god. These are they many of us know on our jobs with all their religious paraphernalia all over their cubicles. They keep up all the commotion and strife in the work place gossiping everyone, you constantly find yourself asking: how are they even able to keep their jobs because they are so scandalous, not to mention their poor work ethic and performance on the job, nevertheless their "I Love Jesus" tattoo is visible up the side of their greased, naked leg and thigh they showcase daily in their 5" high heeled stiletto's and mini-skirts, *Hmmmm?*

Idolatry is very easy to fall into if you do not understand what it is. Your body is the temple of God, ..... "*Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your body. God does not want his temple desecrated. Even brick and mortar church buildings and temples look different from any other buildings. The last thing you will find on them is graffiti. Tattooing is 'graffiti' on your physical body. It is forbidden.*

This tattooing fad has infiltrated the church in America like never before. However, it is a very sneaky form of idolatry indeed. It is 'sneaky' because most people think 'inking' their body is absolutely innocent. They do it because everyone

else is doing it in droves. It's culturally accepted and the masses are indulging to the point some cover their entire bodies with every kind of image imaginable, from their favorite movie stars, sports celebrities, foods, animals, birds and cartoon characters. But, my Friend, if you are part of the 78% of confessing Christians in America, which is the third largest Christian confessing nation in the entire world, and you are serious about going to heaven instead of hell, you must understand inking your body is not innocent. It places a marker on you psychologically. It is all about you expressing you. God is not the center of your thoughts and actions, therefore when trouble comes into your life; you have no power or confidence towards God to assist you. This is the gateway to chronic mental disorders of anger, wrath, and hatred. Self-occupation becomes your meditation; you become an enemy of God in your mind that is constantly meditating on you and tattoo. It is here that many become suicidal and hopeless, consequent to worshipping "*themselves*" relentlessly unaware of their own occupation of self-worship. And for some, the false god they inked on their body cannot be found, why? It was never real in the first place; they are confused and disconnected from the living God, the trap is now set by the devil to take them out in their minds....*But God!* It is here that real church leaders must get involved to educate and correct those in their fellowships who are experiencing mental torment because of the 'sneaky' idol they are worshipping without their understanding. They have become enemies of God unaware and prisoners in their own minds tormented and vexed.

Now, before we go on any further, let me be very clear, if you already have tattoos, do not feel condemned. The purpose of this book is to warn and help you understand the dangers of this art form on the body. What is done is done! God will forgive anyone with tattoos and cleanse your soul if you ask with a sincere heart to turn from your sin of idolatry. The purpose of this book is to empower you, and for many, to deter you from going down this road that can lead to eternal destruction and needless heart ache and pain because tattoos open a portal of self-worship and intoxication with self immediately when inking process begins, and will continue until you denounce its presence in your life or exit your body by way of death.

Once the person inks the body, they want to show it off. This is where vainglory enters the heart and countless church goers are finding it very difficult to stop sinning. Why? What you are proud of, you showcase and think about. For some, they cannot stop having illicit sex because they are craving someone new to see their tattoo on their lower

backside and other private parts. For some, their spouse is no longer satisfying enough of an audience. They are craving affirmation and awe. Their soul is parched and thirsty for worship of their tattoo. Self expression and thirst for recognition fuels idolatry.

Marriages are in shambles as women are compromising their integrity to make their husbands

jealous, so they dress provocatively to showcase their markings. We see male preachers with tight muscle shirts on showing off their muscles and tattoos, drawing attention towards themselves. In fact, this is the precise reason many Christians are privately depressed and mentally tormented because false preachers are rampant in America promoting self-indulgence and compromise. Multitudes have been deceived into worshipping their beauty and body parts inked in every image imaginable...vanity has become the gateway to their insanity.

Pride is very intoxicating. Tattoos get you emotionally 'high' off yourself causing you to EGO Trip, which means you **Edge God Out**. It is all about you and your body littered with images you are moving about daily sketched onto your body

constantly fueling your EGO making it very difficult for that person to focus outside of themselves. Their body has become their source of worship, adoration and pride.

Now these facts beg the question: how is it possible to worship God, seek God and love God with your whole heart, soul and strength, when you are consumed with showcasing and worshipping yourself?

Okay, let's move on to understanding the number one reason those who ink their bodies regret it and fall into mental illness.

## **What's In the House?**

The above massive mansion is the most expensive estate in America, boasting a price tag of \$150 Million. However, your body, God's temple, is worth more! If someone even thought about painting one letter, let alone a name on this \$150 million dollar mansion, they would be slapped with a lawsuit and held on criminal charges.

A mansion worth this amount of money will hold its value for an easy 100 years and beyond because it has been made with the finest money can buy. However, as the house is entered by the owner as decades pass by, they will likely make some renovations to accommodate their new ideas, personal style and taste for art, furniture styles and appliances. However, the exterior of the house remains beautiful and intact.

Now, listen very carefully, when the human body is inked on the outside, as the person matures emotionally, spiritually and intellectually on the 'inside,' they become high risk for mental illness because their outward appearance they once enjoyed of fresh painting and designs of their tattoos, no longer match their maturation from the inside. They have "Tweety Bird" and "Batman" on their neck and face trying to impress a fortune 500 company that they are prolific in thought and skill to supervise their engineering department. His competition is a college graduate; suited up, clean cut, looking polished, handsome and ready to take over the company with no tattoos on his body. My Friend, who do you think is going to get that job? I can guarantee you; it will not be 'Tweety Bird' or 'Spiderman.'

Some people would say, what difference does it make what I do with my body? It's my body! But the fact of the matter, it is not your body, and it was not made to be a canvass for ink. It was created to house your soul and your spirit to express God's glory in your life.

When a person inks the body, they are communicating what is actually going on inside of their house (their psyche, thoughts). Now follow me very closely here, this is why a person would likely never find themselves hired as an engineer with 'Tweety Bird' branded on their neck and face. Your potential employer is looking on the outside of your house making an assessment about what type of 'psyche' would put 'Tweety Bird' on his or her? They will ponder, what kind of thoughts would a woman be possessing to place a tiger on the side of her face? Now, you placed these tattoos on your body in your twenties, you are now 30 trying to land the job of your dreams as an engineer. You look great on paper, but when you are met face to face with your potential new boss, they are not buying it. Your exterior is now spoiling your NEW interior design (you mature thoughts).

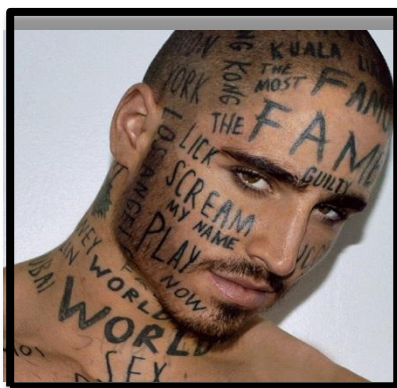

You are no longer a 'Tweety Bird' mentality, but your exterior can no longer be renovated from your 20 year old decision to mark your outer house. My Friend, you are restricted from even getting into the United States military with those markings on your neck and face. Here lies the gateway to mental illness...REGRET! It is festered by anger, shame and self loathing. This mentality will push you inward causing you to resist God's love and provision through his Son, Jesus Christ, to be set free from you! Yes, You!!!!

God has given us beautiful bodies that will most likely house our soul for 70-80 years. If you ink your body at the age of 20, 30, 40, or 50, you still have 30 more years that you will likely mature enormously emotionally, spiritually and intellectually. Once you

place the tattoo, you are marked, and if it is visible to others, you will limit their assessment to what they see rather than who you are on the inside. People will judge you. This would hold especially true to those who place very dark and evil looking tattoos on themselves. You may one day change on the inside and become a very humble and compassionate person, but the tattoo of a skull with snakes coming out of it will not go over very well with the new children's book you wrote and you're attempting to sale it to the school district in your hometown.

They will not be convinced. The same would be true for a 60 year old man with dragons on his neck and face who is ostracized by his children's in-laws. They refuse to allow him access to his grandchildren for fear he is a maniac. After all, who would put a dragon his face?

His dragons have been on his house (body) for 40 years, he is by far not the same man, but the in-laws are not buying it, thus he is susceptible to mental woes as he strives constantly to be accepted and received to simply love his grand- children. The inside, simply does not agree with the outside of his house.

God knows the real you and the ‘furniture’ (gifts, talents, motives, maturity) you are possessing on the inside, but my Friend, most of the time, all human beings judge this way 90% of the time. We judge by what we see. *“For man looks on the outward appearance, but the Lord looks on the heart.” 1Samuel 16:7* Simply put, people judge by what they see and what a person ‘sees’ with his or her eyes does cause them to form an unspoken opinion. It affects how people treat you and certainly how they feel about you.

All things become old after time, all things. We no longer use cassette tapes and 8-Track tapes anymore. We no longer watch our favorite movies on VHS, video tape, but rather DVD. What am I saying here my Friend, you are not going to be the least interested in ‘Tweety Bird’ when you turn 50. All things change and grow old and ‘played out.’ All the inking on your body will do the very same too, but unfortunately it cannot be removed without serious scarring of the body or immense pain, especially tattoos on the neck and face where many have ‘branded’ themselves with another person’s name on them.

# The Name Game

One of the most dangerous and tempting inking designs is to place another person's name on your body when in love, or shall I say, when we are all caught up and infatuated with another human being. We have all been there.

Young adults are most vulnerable to attempting to please and prove to their mate how much they love them, so they opt to place their name on their body.

Now here lies the gateway to mental torment and grueling emotional pain, when a person tattoos another human beings name on their body. It is a game that all players loose. Why? Names belong on birth certificates, driver's license and greeting cards, not the human body regardless of how much you love them, and their name should not be placed on your body, never! Especially the name of someone you are only dating. Why? The chances of the relationship lasting is 99% very unlikely. Why? If you show any human being this much devotion that you are willing to disobey what the creator of your body has told you not to do for them, you have completely bottomed

out. You have nowhere else to lean when trouble comes into that relationship. You have already rebelled against God's instruction not to tattoo the body, but you are, whether you realize it or not, branding and bonding yourself psychologically for the rest of your entire life to this person, whose name is now engrafted on your neck, backside or breast.

In the moment of emotional bliss with another person, it is very easy to get caught up in thinking that what you are *'feeling'* is going to last forever, my friend... *it will not!* And for some, when their relationship has ended with the person whose name they branded on their body attempts to leave them, they will attempt to use the tattoo as submitting themselves to a victim mentality, "*See what I did for you.*" Insanity is likely to follow this mentality instigating murder, rage and violence as the person feels the ex 'owes' them loyalty because they put their name on their body. But no my friend, that person owes you nothing. The person who is in debt is you. God told you not to mark the body; you dismiss his instructions for another human being? How can you really be angry at them?

When a person is willing to ink their body for a man or woman that is not their spouse, and the relationship has fallen apart, the emotional pain of their heart can drive them further away from God if they will not cry out for help to destroy the 'soul tie' to that person, less they will be psychologically scarred for life with the unending nagging memories of that person's name branded on their body, and for many, in places that are not mentionable that cause problems in their next relationship because now, someone else has to look at you ex-lover's name

constantly. This will undoubtedly harm them psychologically as well.

My friend, think before you ink! This is a very serious matter of discussion. You will have a fight on your hands to regain your psyche to heal and move on with your life. For many, they turn to drugs, illicit sex, pornography, and the like because they feel there is no way out to escape the pain and regret of their broken relationships, but there is... Jesus! I dare you to try him! **I DARE YOU!!!!** But you must first repent and turn away from your sins. He will forgive you and help you tear down those idols in the heart from those human beings you have branded on your body. You are 'soul tied' my Friend, but you CAN be free! Many people have so many thoughts and opinions about Jesus Christ, but I'm a witness, Jesus Christ is alive! He is a chain breaker! He is able to set your soul free as he has done for me. My soul is at rest, He is the best thing that has ever happened to me! This is what I know to be so that Jesus said, *"Come unto me all of you that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and you shall find rest for your souls.*

*Matthew 11:28-29.* I have found rest from my guilt, shame and soul ties I had when I came to God asking for his help. I asked Jesus to come into my heart and save my soul....he did!

I have known women who have placed their lover's names on their backside. It has caused them great emotional distress after failed relationships to the men. They are 'soul tied' mentally, spiritually and physically. And though they are with new men, they

are still 'soul tied' to the person they branded on their body. It will take great remorse and sincere repentance to break this "ungodly soul tie" to these men or women in your life. But it can be done when you mean business with God.

The same is true for 'soul ties' to siblings and family members. I have encountered people who have their deceased loved ones names written on their body. Their pain is real for them in losing their loved ones or close friends; nonetheless, it is a dangerous thing to put their name on your body, especially with the initials R.I.P. branded in your sight. Rest In Peace is associated with death.

Subliminally your conscience will gravitate towards thoughts of death and your remembrance of the dead person will always be their death, instead of their life. One of the keys to overcoming death is focusing on the life of the deceased. When their name is visible constantly in the psyche of the tattooed person, depression, sadness and lowliness will have dominance.

If you have marked your body with someone else's name; ask God to forgive you and deliver you from that 'soul tie.' Ask him to help you heal from the emotional pain. He will do this for you my Friend. Celebrate life, NOT death! Death is dark and will swallow you up!

Seek God daily by faith through prayer, call on Him. Come on, this is a job for God ONLY! He has given all power to his only begotten Son, Jesus Christ that whosoever believes on him will not perish, but have eternal life. YES! My Friend, this is great news! I AM A WITNESS!!!! Jesus lives! Religion is worthless without Jesus. Going to church cannot save you or heal your deep wounds of the heart, ONLY the manufacturer of the heart....GOD!

There are countless products on the market that come with a manufacturer's warranty available for a small financial amount guaranteeing the manufacturer will stand behind their product. God has offered every human being an opportunity to repent, turn from sin and believe on His only begotten son to find eternal life. Jesus told us in the Scripture before mentioned he would give us rest for our souls if we will come to him. We have a warranty for our souls. Jesus paid it all. When your care is in trouble, you take it back to the manufacturer. When your soul is captive to darkness, you must take it back to God! It is available for you to be delivered and set free from any psychological torment associated with another human being or this present life that is full of trauma, tests and trials that can traumatize the soul.

**Here is the secret:** You must be ready and willing to turn from sin to get God's deliverance through Jesus Christ. Give Him your sins; He will give you his peace and set you free!

“Let The wicked forsake his way, and the righteous man his thoughts: and let him return unto the Lord and he will have mercy upon him; and to our God, for he will abundantly pardon, Isaiah 55:7.

## **Demons & Sexual Perversion**

Okay, now before we go any further in completing this book. We must talk about the subject and reality of Satan who is a fallen angel. God kicked him out of heaven after his heart was lifted up with pride. He took one third of

angels with him. They are demons, demon are spirits. Please read Ezekiel 28:14-15. Devils need a body to manifest their persona or personality which is to kill, steal and destroy any “body” they are able to enter through sin and rebellion towards God.

Devils are spoken of 52 times in the New Testament of the Bible. Jesus cast out devils (Mark 1:2, Mark

5:2, Luke 9:42) and gave his disciples and those who believe in him now, the power to cast out demons. *“And these signs shall follow them that believe; In my name shall they cast out devils, Mark 16:17.”* What is this telling us very clearly? The ONLY answer to demon possession is Jesus! Not a therapist, not medication! Jesus! If you are marked with tattoos and you know you are tormented in your soul, my friend, it is time to seek Jesus! It is time to come out with your hands up and admit you do not know what you are doing. Demons thrive on rebellion! They thrive on ignorance and unbelief.

When a person places images on their body after God has told you not to do it, and you have not asked for forgiveness and renounced any allegiance you have to the person or thing on your body, you have an ‘open door’ to be infested with demon spirits, why? You are in rebellion to the landlord’s lease agreement we discussed in Chapter One. Ignorance is not an excuse, and for many, they have become captives inside of their own ‘house.’ They hear voices and are forced to do things against their own ‘will’ because they have opened the door. The same would be true for someone who leaves their door open to their home with the lights on at night. They are being foolish indeed, why? A potential robber can see right in because of the light. When you have a tattoo on your body, especially if the person who has carved the image on your body is a Satan worshipper, which

some are, you are in trouble my friend. You have left the safety of your home, your life, your relationship with God to sit for hours with a complete stranger you are giving authority to desecrate God's house.

I need you to really consider this fact, you are allowing a complete stranger to not only look at your breast, buttocks and loins. You are allowing them to touch your body AND to use a man-made instrument that is intrusive enough to cause you to bleed? The life of all living flesh is in the blood. There are Satan worshippers that seek blood for their sacrifices. It could very well be your blood that is smeared on a voodoo doll secured from your tattoo artist you gave full access to God's temple. *My God, my God!* My friend, there is no time to be intoxicated with anything that can harm your soul and enter your body to possess you.

*1 Peter 5:8, "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour."* Tattooing gives him right of passage to devour you.

The devil hates all humanity and he will kill you! He will influence you to kill, steal and destroy yourself and others. This is precisely the reason we see an increase of violence, murder and sexual perversion in our nation. Many are filled with demon spirits because they are rebelling against God, choosing to believe lies, doing whatever they want with their

bodies. And many will argue with you that it is their body and they can do whatever they want with it, but the fact of the matter is that this is not true. If it is really theirs, why are they not able to dismiss cancer and all manner of disease from their bodies? Why are they not able to control their own emotions and cure their “mental illnesses?” Because it is not their body!

Most recently, gay marriage was passed as a law, giving men and women the right to marry and do what they want with their bodies. But guess what my friend; God will get the last say over every human being who chooses to believe the hype. Let no one deceive you, God did not create the rectum of a man to be entered by a male penis for sexual pleasure. The rectum is an exit for waste, NOT an entrance.

The human anatomy suggest clearly the female vagina was created to receive the male penis and the rectum releases bile without any unnatural provocation from without. From the moment of birth, babies ‘naturally’ release bile because God created the colon and rectum to do just that, digest food and release waste. Therefore, any man who places his penis inside the exit of another man’s rectum; he is practicing perversion. He is a pervert. Any woman who is using artificial, battery operated devices to stimulate herself or another woman is also a pervert. God created the female vagina to receive the male penis, not dildos!

What is most interesting to understand, is that homosexual men are putting their penis inside of another man's rectum for pleasure, but the female already has been created to receive him! Some gay men will say they cannot put their penis inside of a woman because "it is nasty"....REALLY? They would rather place their God created penis inside of NASTY bile, filth, and waste? My God, My God.....*my friend!* This is madness! Your mind is part of your soul, your soul is your psyche, the part of humanity that cannot be seen, but is expressed in our behaviors, personality, values and talents and sexual orientation. This is perversion.

Lesbian woman are using man-made devices to pleasure themselves and their female partners for stimulation, but God has created the male penis for that. You would rather have a battery operated device instead of a real God created penis? Ladies, WAKE UP! You want to marry a woman and invest in a budget for sex toys when God has already given you, for free, a 'natural' penis? What is really going on here? I will tell you! The devil! He is a liar! He is a deceiver. He hates you and seeks to take your soul to hell where you are going to be tormented for all of eternity unless you seek the truth, and nothing but the truth, so God WILL help you if you ask with a sincere heart.

Perverted sex does not start with the act of sex; it starts in your soul, your mind. The devil has convinced many who are captive with perverted sex

and relationships that once you are a homosexual, you will always be. This is true if you do not seek the REAL Jesus to set you free from the devil and turn from your sins. You will remain a homosexual all the days of your life. You can get married to cover it up as the manner of many, you can have as many illicit affairs as you can to run from those demons to convince yourself you do not have a spirit of perversion. But my friend, it will not work. To thyself you must be true in order to find deliverance from Jesus Christ. The REAL Jesus who IS a chain breaker! Your mind must be renewed.

Now let me stop and pause for a moment here to be very clear, the human anatomy was created by God, the male penis and female vagina is a body part. I am calling the body parts what they are. The human body was created by God and it is beautiful. Sexual body parts and sex was God's idea, it is honorable and sanctioned to be enjoyed between a man and a woman in a marriage covenant ONLY. All else is sin and will take your soul to hell forever, Revelation 8:21.

Homosexuals and lesbians are not 'victims' as they attempt to pretend they are. They are rebels, no different than liars, thieves and child molesters. Should we consider making a new law giving rapists the right to rape whoever they want too? Rape is just as sinful in the sight of God as a man lying with a man.

It does not matter who they are, how much fame, money or where they live; gays and lesbians are deceived, captives of the devil who have seemingly pushed their way to instigating the U.S. government to pass a law giving them “the right” to openly continue their perversions. Nevertheless, they are very temperamental people when confronted with their perversion because they know in their hearts, their behavior is absolutely wrong. If this was not true, why do most of them feel they have to keep their sexual perversion a secret “in a closet?” I will tell you, because they *know* they are wrong. Their own conscience condemns them with shame and guilt, yet they refuse to listen to the truth and seek Jesus for freedom of their sins, thus forcing God to turn them over to their own desires of their flesh, giving Satan and his demons the “right of passage” to possess, torment and take their souls straight to hell. Let no one deceive you, God does not send anyone to hell, they go on their own. They will be tormented forever because they simply refuse to believe the truth of their sinful condition and repent.

This epidemic of everyone “coming out” of “the closet” to proclaim to the world they are perverted is nothing more than their final act of defiance towards God himself! It is defiance and dangerous my friend. Dangerous, dangerous, dangerous! Why? Because God will not be mocked, *“Be not deceived; God is not mocked; for whatsoever a man sows that shall he also reap. Galatians 6:7.*

I have met both men and women who are homosexuals and lesbians. They are human beings that deserve respect and love, therefore as followers of Christ, we call them out on their rebellion because we do love them and do not want them to end up in hell where they will spend eternity tormented forever. This is what the bible clearly teaches, Revelation 8:21. They are the same as anyone else who has refused to turn from their rebellion and seek God's forgiveness through Jesus Christ. Please hear me if you are homosexual, bi-sexual or lesbian; the only sex God has sanctioned for any human being to enjoy, is between a man and woman in a marriage covenant.

Some homosexuals suggest they are born homosexual, this is not a problem for God if that is what you want to believe, that is why Jesus told us that "you must be born again" in order to inherit the Kingdom of God," John, Chapter 4. No matter how we cut the cake, homosexuals are no different than anyone else that will spend eternity separated from God if they choose to disregard the forgiveness of their sins through Christ Jesus and repentance.

Some have been taken completely over by demons that influence them to begin the process of transforming themselves into the opposite sex because they claim they are miserable in their God given bodies. They are trans-genders who will "ALL" tell you how tormented they are in their minds about the God given gender they were born

with, why? The devil! They are possessed by demons of perversions that hate God and will use that person to mock God. They are captives that need to be set free by Jesus Christ. Why do you think all the money in world and therapist cannot help these troubled souls? The wealthy and their children are mentally tormented as patients of the “best” therapists money can buy, yet they cannot find relief for their tormented souls. Why? A tormented soul is a ‘spiritual’ matter, **NOT** physical!

Why do you think psychiatric drugs do not “cure” patients, but rather put the person taking the drugs into a stupor to cope with their torment? **Because you cannot medicate a demon!** You cannot counsel a demon! You **MUST** cast them out! And there is **only one** name under the heavens by which the soul can be delivered from demons ...and that Name is Jesus Christ! The Son of the living God! Not a false god, but the **LIVING GOD!** And there is only **ONE** way to him, and that is through Jesus Christ. *I am the way, the truth, and the life: no man cometh unto the Father, but by me.” John 14:6.* Some refuse to take Jesus at his word. They are drenched in religion, lies and good works attempting to justify themselves before God, nonetheless, God offers His grace and mercy to rescue any sin sick soul freely through His only begotten Son.

Listen to me very carefully...your therapists cannot cure your mind from torment when you have rebelled against God. They cannot cure your troubled soul.

Nor are they authorized too! Jesus is the healer of the sin sick soul. He is a healer of the tormented soul, not mortals who are oftentimes just as tormented and depressed as their patients they attempt to heal. The only thing that medical doctors have correct in there diagnosis of mental torment is that they do refer to it as mental illness, but the source they attribute to mental illness is 100% incorrect, mental torment is a result of sin and rebellion against God. Now whether you want to believe it or not, let us consider the fact of the matter, America has never been so drugged up with anti-depressant drugs, yet the people have never been so depressed. Why? You cannot medicate a demon! You cannot medicate the mind that is set on self refusing to let God in. Thus, we cannot be set free without The Great Physician.....Jesus Christ!! Let no one continue to trick you....if you are mentally ill, you need to repent from your sins and turn to Jesus Christ, NOT religion! Religion is objective, Jesus is a person! He is the Son of God, his spirit is alive, when he enters the heart, he will not torment you, and *he will* bring rest for your weary, wounded and broken heart. He longs to ‘treat your symptoms,’ and it will cost you nothing but your faith and sincerity to turn from your sins.

Jesus is the savior of the entire world from sin. There is no other man on the planet, nor is there no other that has died and got up out of the grave for anyone. There is NOT ONE!!!! *“For God so loved the world, that he gave his only begotten Son, that whosoever*

*believeth in him should not perish, but have everlasting life,” John 3:16.* Now how is it possible to believe all the many lies concerning Jesus? How is it possible? I will tell you, The Devil! Your eternal adversary. Jesus said this clearly about Satan, *“He has blinded their eyes, and hardened their heart; that they should not see with their eyes, or understand with their heart, and be converted, and I should heal them, John 12:40* Jesus is able to open blinded eyes! He is able to restore sight to the blind... naturally and spiritually!

If Jesus was only a prophet as some claim, if Jesus is not the Messiah as some say, if he was just a magician or carpenter as some say, then how do you explain the billions of people since his death, burial and resurrection over 2,000 years ago, who have been set free from sin and bondage by Jesus? I am one of them. He has set me free, my soul is at rest. I have peace, joy, hope, love and a desire to help as many people as I can by telling them about Jesus Christ of Nazareth, the Son of the Living God. I'm talking about my best friend, my redeemer, the lover of my soul that set me free from my sins and bondage in 1992. He broke every chain that had me bound. I was a captive. I was miserable, empty and bound up. Do not let religion fool you. Do not let the countless fake preachers who are rampant in America hustling the weak and unlearned out of their money, time and talents to serve them and their fake Jesus they're

preaching about that has no power to heal your mind and set you free from Satan's demons and sin.

My friend, Jesus is REAL! He is Alive! His Spirit lives! He is a chain breaker waiting to set you free and give you the gift of the Holy Spirit. When he comes into your life, you will find what you are searching for....peace, joy; real purpose in life and more importantly, eternal life. Satan and his demon spirits torment the soul, Jesus and the Holy Spirit of God liberates you from guilt, shame and all power of the devil, bringing joy and peace. No peace until you surrender, know Peace when you do.

Now this begs the question, where is Jesus? The REAL Jesus? Seated at the right of God waiting for you to realize you are sin sick and need his help....*"Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God, Hebrews 12:2"* He is waiting for any human being who is broken hearted and of a contrite spirit to CRY OUT! Cry out to him from the depths of your soul admitting you are lost, you have been prideful, self righteous and you need his help. Get ready my friend, I can assure you when you mean REAL business with God, you WILL find Him through his precious Son and the devil will have to flee!

Humanism is no match for the devil and his demons. That is why therapists and psychologist also commit

suicide themselves after they have attempted to cure, treat and coddle the demons in their patients unaware it is a spiritual problem, delegated to Jesus Christ only to heal and deliver. Many succumb to their own futile attempts to tamper with the soul of man; unbeknownst to them their wisdom is man-made, taught by men who do not revere God in their own hearts. It is humanism. Humanism fuels pride, pride is intoxicating and blinding. It deceives mortals to believe we have the answer for everything. But the proof is in the FACTS. Suicide rates are highest amongst medical doctors in all professions, this would include psychologist who attempt to restore tormented souls, when the real issue is the same issue we all have, and that is sin. Jesus is the only 'physician' with the credentials to remove darkness from the human soul....Glory to God forevermore! My friend, there is hope! Jesus is Alive!

If you do not believe in Jesus Christ for who he really is; the savior of the world, sitting on the right hand of God with ALL power to deliver any demon possessed soul that will come to him in spirit and in truth, you will remain a captive to your sins, giving all your monies to men and women who cannot heal your sin sick soul. They pride themselves on labeling sin as "compulsive disorders" and "syndromes." When in fact, most of our woes are simply sin, sin, sin! Let no one deceive you another day ~ man CANNOT heal the soul! You will continue to waste

your time talking to them, when you should be talking to the one who created you, God!

# Gateways

Some people do not want to face the facts, demons are real and they will torment you taking over your entire life if you refuse to ask God for help.

Murder is manifesting like never before in America.

Multitudes have absolutely no

regard for life. Why? There is no regard for the giver of life, why? The devil and his demons hate God and all humanity. Once a person has opened a door for them to enter, they will kill, steal and destroy that person and others through them, and in extreme cases of allegiance to darkness, a person is completely possessed by the devil, they will do exactly what he suggest.

Let us consider this fact, never in the history of America have we seen so many confessing Christians in particular, tattooing their bodies. Is there a direct link to the violence and murder? Yes, it is. Why? Devils are working in the soul of many captives he has entered simply through their disobedience of tattooing their bodies. His marker on the tattooed body is pride; it is his gateway to their souls. *“Pride goes before destruction, and an haughty spirit before a fall, Proverbs 16:18.*

Tattoos instigate arrogance and nakedness. Women especially are being deceived in droves as they strut around in sexual attire and 5” heeled Stiletto’s revealing their naked breasts, thighs and buttocks. Showcasing all manner of images, unaware they are enemies of God and a target for the entrance of all manner of demons and devils. *“The wicked, through the pride of his countenance, will not seek after God: God is not in his thoughts, Psalms 10:4.*

Women who are sexual in their appearance do not have God in their thoughts. And for some, they are full of demons of lust and perversion that have taken them over because they do not fear God, *“The fear of the Lord is to hate evil; pride, and arrogance, and the evil way...,” Proverbs 8:13.* Wearing tight, revealing, sexual attire is the evil way. Let no one deceive you! God has standards. Public sexual attire is not one of them.

Demons want to mock God and deceive every human being they can because Satan will never be able to worship God again. Hell was created for him after he was kicked out of Heaven because of his own pride. Jesus said, *"I beheld Satan as lightning fall from heaven, Luke 10:18.* Satan has demons, God has born again followers of Jesus Christ, who forgives sins through his shed blood on the Cross, and then the Holy Spirit begins to work with us for the glory of God to rescue everyone who is willing to turn from their sins and follow Christ. Or remain in darkness to follow the devil and his demons.

Who do you think was inside the young man, who walked inside of the church in Charleston, South Carolina killing 9 precious souls in June, 2015? Devils! Who do you think is inside men molesting young boys and girls, destroying them psychologically for life, The Devil! Who do you think was inside of Ariel Castro, the man in Cleveland, Ohio who kidnapped 3 girls and held them for 10 years against the law and their 'will' ....YES, you got it! **THE DEVIL!!!!** Now guess who you have allowed in your life if you are hearing voices, doing things against your own 'will' that is evil, perverted, lustful and cruel...you got it.....**THE DEVIL!** He is real my friend, and he seeks bodies to express himself. The same as God does to express himself to bring truth, hope, faith and deliverance. God confronts our sin to save us. The devil wants you to stay in ignorance and rebellion this is why

he has filled the church world with the false notion of 'judging.' Multitudes are crying about being judged. "Stop judging me" Hmmm? I will tell you why this has become so popular, demons!

It has been my experience 99.9% of the time that when correcting those who are in sin and "obvious" disobedience they start whining the same ol' song, "you're judging me." My friend, if you are in sin and God stirs someone to rebuke you, you need to start praising God! Correction is love. The only one that doesn't want to be corrected or judged is the devil, why? They have already been judged for eternity. Hell awaits every last one of them and all who continue to reject the Gospel of Jesus Christ. Demons do not want to be reminded of their end or of righteousness because they have no chance to repent, but we do! That is why God sends people in your life to rebuke you, which means to scold sharply. *"As many as I love, I rebuke and chasten; be zealous therefore, and repent, Rev 3:19"* Rebuke does not feel good at the time, but it can save your life! The next time someone 'calls you out' on behavior you know you are doing, suck it up and tell God "Thank You." Stop whining and admit your sin to God.

Besides tattooing and sexual perversion, another sure door for demons to enter your soul and body is masturbation. Yes, masturbation! Masturbation is perversion. Unless a person has become desensitized and completely overtaken in their minds, this is not

an act that brings open confession whatsoever. I have counseled many who have been completely overtaken in addiction to masturbation, some who were married. Their addiction fueled by pornography. **PORNOGRAPHY IS AN OPEN DOOR TO DEMONS!**

**Get Rid of It!!!! It is deadly!!!!!!!!!!**

Pornography fuels sexual perversion, sexual perversion is any sexual act that is not natural. Using any man made devices for sexual arousal is perversion. I have met several people who were tormented by demons that forced them to have sex with them at night. These souls were tormented and asked for help. These are the stories you are not going to hear about at your average church where all followers of Jesus Christ that believe, should be casting demons out. People will not tell you they are being harassed by unseen forces because of shame.

Sexual, provocative music also fuels sexual perversion. If you are addicted, you must consider the music you are listening too to break free. What you rehearse in your ear, drops into your heart, “and so a man thinks, so shall you be.” The law of meditation is like gravity, you cannot see it, but if you jump 10 stories, you realize its presence. You will become what you “hear” in the chamber of your soul. If it is lustful music and thoughts, you will remain the same. You have to clean your ear to clean your heart. If you have demons, you know it. You

are tormented and you cannot control urges and thoughts that overtake you and provoke you to behave in destructive and perverted behaviors.

Another door to demon possession is unforgiveness. Unforgiveness is sin. It is very difficult to grasp in light of the many horrid things we can all experience in this life, but we must forgive in order to receive God's mercy for our own individual lives. Jesus clearly taught that God will allow torment for a person who refuses to forgive. Please read the entire 18<sup>th</sup> Chapter of Matthew in the Bible for yourself.

Some people have allowed unforgiveness to fester in their heart to the point they have killed the person they refused to forgive. Some people who refuse to forgive are violent and out of control with mood swings they cannot control because the root of bitterness has gotten a hold of their hearts. Mood swings is a for sure sign you just might have some demons controlling you, especially if you find yourself thinking about harming others or yourself. Forgiveness is not a natural thing to do, it is supernatural! The Holy Spirit, not demon spirits, will help those of us who seek to obey God through Christ Jesus to forgive our enemies and overcome our pains. Doesn't matter if you are rich, poor, man, boy or girl...Jesus will set you free if you come in faith and ask forgiveness of **your** sin. *"Come unto me all of you that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me;*

*for I am meek and lowly in heart: and you shall find  
rest for your souls. Matthew 11:28-29.*

The devil's favorite word is tomorrow. God's favorite word is today! *"Today if you will hear his voice, harden not your hearts, as in the provocation. Hebrews 3:15"*

Listen to me very carefully...after you drop your body suit and enter eternity, you will be forever tormented for all eternity if you refuse to ask for help now; going to church and listening to "Christian" music doesn't mean you are following Jesus nor does it suggest that you have a relationship with God whatsoever. You must consider how you are really living behind closed doors. It will indicate if you are really in right standing with God. If you are not, your restoration process begins when you admit you have gone astray and you do not know what you are doing, this would be the precise reason you are so miserable,  
*you do not know what you are doing.*

Doesn't matter if you are the CEO of a Fortune 500 company, doesn't matter if you have millions in your bank account or what title you have in front or behind your name, if you are mentally tormented with fear, depression, lust and the like, medicating your emotional pain with anti-depressant drugs, spending countless dollars to sit and discuss your misery with another human being who does not fear God, does not know God, and more importantly than that, they have not created your soul, heart or mind....my

friend, **you do not know what you are doing!** If you keep doing the same thing, you are going to keep getting the same results; torment, fear and hopelessness. Its time to Shake yourself! Life is passing you by! Get up! Look up towards heaven by faith, and ask your creator to help you! Ask Him to reveal to you the truth and nothing but the truth! How will you know you have found him, yes, I said him. Who is 'him'....Jesus! The REAL Jesus! Not the fake Jesus many churches in America are talking about that has NO power to set you free from your 'sin sick' soul that is being tormented by the devil and his demons.

Jesus has ALL power to forgive sin, delegated to him by God after dying a horrific death for the homosexual, lesbian, fornicator, adulterer, liar and the like. Homosexuals and lesbians do not get a FREE pass. All sin and rebellion is deadly! It will destroy your soul now, and for eternity, BUT God through Christ Jesus! He is able to deliver you from your captivity, but you must first STOP calling evil-good, and good-evil! A man having rectal intercourse with another man is evil! A man having sexual intercourse with his wife on the other hand is good, very good. All other sexual contact is forbidden. Take time to study the 5<sup>th</sup> Chapter of the Book of Galatians, it clearly tells us what sin is and what we must cease to indulge ourselves if we want to go to heaven and not hell, if we want to be healed and delivered in this life.

Now this takes us back to the subject at hand. When a person places tattoos on sexual parts of their body, you place yourself at high risk for demons to enter your body. Some have been overtaken and influenced to have sex with just about anything and anybody. Why? The pride associated with the image on their body keeps them self-conscience and eager to display their markings. If the devils have entered that person, he instigates their pride and will influence his captives beyond their own will to do whatever he wants. The “devil made me do it,” is very true for multitudes whose marriages are in complete shambles because one or both of the parties in the relationship are full of lust and sexual perverted demon spirits attached to their “tramp stamps” branded on their lower backside. Oh’ my friend, don’t do it!

These tattoos in particular bring a very strong desire for showcasing to others. Remember, God hates pride. It will take you over giving the devil full access to your soul. **Please understand this and be very clear, there is no way out of demon possession but by Jesus Christ.** *Demons are merciless.* Once they have access, they will hold you captive until the day you die. You will then spend eternity with them the same as you have throughout your life here on earth tormented forever. Again, there is no escaping except through Jesus Christ. You let them in, but Jesus Christ is the ONLY ONE

that can help you get them out if you humble yourself and turn from your sin.

The human body does what the mind tells it to do. It is the epicenter of your life. When a person chooses to disobey God and chooses to have illicit sex, they choose who they lay with, heterosexual, bi-sexual, or homosexual sex doesn't matter, it's all sin, you choose! The same as you choose which tattoo you are going to place on your body. Thus we can conclude rebellion towards God begins in the soul (heart, mind) of each and every one of us, therefore, it behooves us to resist any behaviors that open our mind and soul up to the devil to possess us. When he finds an entrance and does enter, that person will begin to express the devils mind and evil persona through their body; the way they talk, what they wear, their mentality (depression, fear, lust), ect.

If you have placed tattoos on your body and you want to break free from any demonic influences in your life you are struggling with, for example; hearing voices, uncontrollable lust, desire for the same sex, violence, uncontrollable rage, thoughts of suicide, perverted sex addiction, horrific dreams and visions ect. You need Jesus to set you free. Let's move on to our final chapter to give you some instructions on how to overcome and break free from demons, torment and sin.

Let's go! It's time to SHUT THE DOOR on darkness and get you delivered!

## Extermination Time!

My friend if you look very closely at the above picture what do you see? Okay, now look very closely at the following picture and tell me what do you see?

The first picture reveals a very neat and orderly kitchen and the second reveals a very cluttered and messy bedroom. What do they both have in common? They are rooms inside of a house. They both provide a purpose for preparation, function, storage, beauty, protection and rest for the person that lives inside the house. Your body does the same for your soul (mind, will and emotions - thoughts, personality, gifts, talents, dreams). The body protects the unseen part of you, the real you that no one on the planet can see, but we can gather much information about who you are by the way you take care of your house on the outside by your ability to hand stress and maintain during times of adversity.

Now this would include any outside decorations or signage that reveals the house is for sale, unoccupied, or an easy target for an intruder to enter and steal from you. Tattoos are like a “For Sale” sign on a lawn that serves as an ‘invitation’ for inquiry. Remember, the devil and his demons are on the move constantly seeking who they can devour. *“Be sober, be vigilant; because your adversary the devil, as a roaring lion walks about, seeking whom he may devour. 1Peter 5:8*

After acknowledging to God your disobedience in marking your body, now you must ‘denounce’ the tattoo you have sketched on your body. Denounce means to condemn, criticize or betray. You must do this verbally, condemning the pride you have walked in to showcase the tattoo, any allegiance to a person, place or thing associated with the tattoo, or any allegiance to the devil you have made in ignorance or purposely.

Now follow me very closely here, when your soul is tormented, it is like a messy, cluttered and nasty house filled with all manner of things that have taken over your home, causing fear and torment such as rats, roaches, wasps, moths and mildew because it has not been cleaned and maintained properly. The windows have been constantly left opened allowing rain to get inside, eventually breaking down the foundation. But worse than this, you have a “bat” that has entered through your upper bedroom window that has been left open during the night causing havoc and refuses to leave. Who will you call? A professional! Demons are like bats and rats, they create much fear and disease of the soul like rabies. The only person that has been authorized to dispel them is Jesus and those God has filled with his Holy Spirit who believe and will cast them out in Jesus Name. *“And these signs shall follow them that believe; In my name shall they cast out devils, Mark 16:17.*

You must be saved by Jesus before you can cast demons out of anyone else. Therefore, if you are a backslidden Christian, or you are coming to Jesus right now for the first time, I recommend you first ‘cry out’ to God on your own asking him to set you free and save your soul from the tormentors. Now understand; you **MUST** come to God in **FAITH!** You can also demand every demon, devil or spirit in you to go in the Name of Jesus, only if you have repented of your sins. This is very important. Do not attempt to expel demons without repentance first!!!

If you do not feel comfortable doing this on your own or you do not find relief, this is what you must do immediately if you do have a church that you attend,

or you know of a church near you. I want you to contact the pastor who should be filled with the Holy Spirit if he is a pastor, and tell him you need his help to cast those demons out of you. If the pastor is not spiritual, he will not be able to help you because many pastors do not believe. Jesus said those that believe will cast out devils in his name, Mark 15.

Don't worry, there are many churches that move in the power of God through Jesus Christ that can and will help you. You have to now get on the Internet and look for churches that do cast out demons just like you search for anything else you are looking for online. Put in your web browser "demons" "deliverance from demons." You will find a church fellowship nearest you. **PRAY ABOUT IT!!** Ask God for his guidance to find a fellowship near you.

Remember, he that is wise, is he who seeks understanding. You may not like to read or study, but in this matter, you must learn to love seeking understand. Jesus Christ's life, ministry and how he handled demon spirits are very important for you to receive your deliverance. Why? He is your only soul Physician, that has never lost a patient! Your soul is sick and you need to understand that you are not his first patient. He is a master!

The Scriptures will not mislead you my Friend. Devils, demons and torment of the soul are Jesus' specialty. Please read Matthew, Mark, Luke and John before you begin to seek others to help you. Why? You must begin to get understanding.

Now finally, please allow me to give you one final and very important key to consider as you seek to

restore your relationship with God through Jesus Christ. Your feelings can no longer have dominion over you. You cannot trust them, feelings and faith do not mix! Be strong in the Lord and daily RENEW your mind to the Holy Scriptures. *Romans 12:2*  
*“And be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.*

Ask God to give you a love for the Scriptures and to fill you with the Holy Spirit. He will! *“...If you then, being evil, know how to give good gifts unto your children; how much more shall your heavenly Father give the Holy Spirit to them that ask him? Luke 11:13.*

The purpose of your body is to glorify God, seek God, know God. Be Set Free in the Name of Jesus Christ forever ~ Amen!
